Tawyna

What's your favorite snack at work?
Donuts, all flavors and styles! I love everything except pickles.

What is the favorite part of your job?
Helping all the littles with crafts during storytime and just interacting with everyone in the community!

Why did you move to Sweet Home?
My parents retired here and I loved the town everytime I visted them here, especially Foster Lake. Oregon is so much greener than Southern California.

What do you do when you aren't at work?
I take care of my chickens, dogs and garden at my new house!

Tawyna working at a Summer Reading Event at Sankey Park last year. We love our events in the park, fresh air, books, kids and fun!

Tawyna wanted to show off her pups and chickens to everyone.
