### Findings of Fact in Support of Zone Change Application ZMA21-02

#### **Exhibit A to Order of Approval for ZMA21-02**

The review and decision criteria for a zone change are listed below in bold. Staff findings and analysis are provided under each review and decision criterion.

- A. An amendment to the official zoning or comprehensive plan map may be authorized provided that the proposal satisfied all relevant requirements of this title and also provided that the applicant demonstrates the following: [SHMC 17.12.010]**
- 1. The proposed amendment is consistent with the goals and policies of the comprehensive plan; [SHMC 17.12.025(A)]**
    - a. The Zoning Code implements the Comprehensive Plan by providing specific development guidelines for each Land Use Designation. The general nature of each Comprehensive Plan Land Use Designation will guide the uses and standards for the corresponding zone in the Zoning Code. [Sweet Home Comprehensive Plan, Chapter 2 Text]**
    - b. The Comprehensive Plan Map graphically portrays Sweet Home's land use pattern as recommended by Comprehensive Plan policy. Each designation has a different symbol or color. The land use map portrays the long-range vision of land use patterns in Sweet Home. [Sweet Home Comprehensive Plan, Chapter 2, Comprehensive Plan Map Policies, Policy 1]**
    - c. Zoning Codes. The Zoning Codes regulate the use of land on a comprehensive basis. More specifically, the Zoning Codes divide the community into residential, commercial, industrial, and other use zones based on the Comprehensive Plan. Each zone has standards and regulations that determine the allowed uses on that land and the standards to which structures must conform, such as building height, yard setbacks, and lot size. The Codes consists of text, found in Title 17 of the Sweet Home Municipal Codes, and an official Zoning Map.**

**The Zoning Codes fulfill two major roles. First, zoning promotes the public health, safety, and welfare of Sweet Home. Secondly, the Zoning Codes implement the Comprehensive Plan. Oregon Revised Statute 197.175 states that cities will:**

      - Prepare, adopt, amend, and revise comprehensive plans in compliance with Statewide Planning Goals; and**
      - Enact land use regulations to implement their comprehensive plan.**

**In a broad sense, zoning encourages the orderly development of the community and implements the Comprehensive Plan. Zoning can only partially relate to the long-term aspects of the plan because as a regulatory tool, it must relate to the current conditions within the City of Sweet Home.**

**The Comprehensive Plan provides a general and long-range policy for the City while the Zoning Codes serve as a legal ordinance with binding provisions on**

**land development. The various zones have specific boundaries and when drafting the Zoning Ordinance, the City considers how each land parcel will be affected.**

**Zoning Code provisions and the Zoning Map can be amended. Amendments shall be consistent with the Comprehensive Plan. If proposed amendments to the Zoning Codes do not comply with the Comprehensive Plan, the Comprehensive Plan must also be amended so that the two documents correspond.** [Sweet Home Comprehensive Plan, Chapter 2, Comprehensive Plan Map Policies, Chapter 8: Plan Management]

- d. Updating the plan: Making the Comprehensive Plan a basic part of the community's planning process an ongoing active function of City government will keep the Plan as a viable and useable policy document. The Comprehensive Plan needs to be updated occasionally for the following reasons:** [Sweet Home Comprehensive Plan, Chapter 8: Plan Management]
  - i. To accurately reflect changes in the community.**
  - ii. To ensure integration with other policies, Zoning Codes, and Subdivision Codes.**
- e. Changes to the Plan Shall be made by ordinance after public hearings.** [Sweet Home Comprehensive Plan, Chapter 2, Plan Amendment Policies, Policy 2]
- f. Changes in the Plan shall be incorporated directly into the document at the appropriate place. A list of all amendments with date of passage should be a part of the document.** [Sweet Home Comprehensive Plan, Chapter 2, Plan Amendment Policies, Policy 3]
- g. Property Owners, their authorized agents, or the City Council may initiate a Comprehensive Plan amendment. In order to obtain a Comprehensive Plan amendment, the applicants have the burden of proof that all of the following conditions exist.** [Sweet Home Comprehensive Plan, Chapter 2, Plan Amendment Policies, Policy 5]
  - i. There is a need for the proposed change;**
  - ii. The identified need can best be served by granting the change requested;**
  - iii. The proposed change complies with the Statewide Planning Goals; and,**
  - iv. The proposed change complies with all other elements of the City's Comprehensive Plan.**
- h. Highway Commercial: To provide suitable and desirable commercial areas along the highway intended to meet the business needs of the community.** [Sweet Home Comprehensive Plan Land Designations for Economic Development, Table 11]
- i. High Density Residential: To provide areas suitable and desirable for higher density residential development, and particularly for apartments, manufactured home parks, other residential uses, and appropriate community facilities.** [Sweet Home Comprehensive Plan Map Residential Land Designations, Table 7]
