Hello from the library!

I will not be able to attend the City Council Meeting tonight, but wanted to give you a snapshot of what is happening at your library.

Things are going great and we have some exciting programming coming up that I thought was worth sharing.

Children:

Wednesdays at 10:15 we have Family Storytime, where we attract a solid group of children and their adults. It is a great opportunity to promote early childhood development and share resources with caregivers. Samantha, who works in Youth Services, does an amazing job making it meaningful, enjoyable and an experience that kids look forward to.

The second and fourth Wednesdays at 3:00 we have Lego Club, where the sky is the limit as kids of all ages create an array of Lego creatures, landscapes and visions.

Teens:

October 18 at 3:30 we will be creating Resin Jewelry. Whether making a beautiful gift or a keepsake for yourself, this one-of-a kind creation is a fun and popular event.

Adults:

The second and Fourth Thursdays at 2:00 we have Crafternoons, where we supply the materials and you supply the creativity as we lead participants through all the steps in creating a homemade masterpiece!

THIS FRIDAY, October 11 we have the program "Civil Conversation in and Angry Age" with Humanities Washington Speaker David Smith. It is an after-hours program, running 6:30-7:30. Humanities Washington Speaker's Bureau is an amazing cast of speakers that are paid largely from the National Endowment for the Arts. Our Friends of the Library group subsidize costs by providing transportation reimbursement. For more information about this great opportunity, here is a link: <https://www.humanities.org/program/speakers-bureau/>

In the community:

Every month you are welcome to join us at Books and Bites at Scatter Creek Winery from 6:00-7:00. Talk about your current read and hear first-hand about the books that you may want to add to your list – or not!

On another note, we want to take a moment to thank Troy for responding quickly to our recent request for restroom supplies. We appreciate it, as do our patrons!

As always, we are happy to be serving this community and having the opportunity to be an integral part of so many lives. If you have any questions or concerns, feel free to contact me.

Thank you!
