To City of Tenino

I'm asking for some kind of refund/credit to my Account #5891 as I had a leak under the house.

I got the leak repaired on April 10 2025 and my bill May statement is back to the basic rate.

Jan. Billing period bill was \$149.98

Feb. Billing period bill was \$139.27

March Billing period bill was \$189.31

It was after the March bill that I had a plumber come check for leaks

April Billing period bill was \$149.98

May Billing period bill was \$121.39

Thank you for your consideration,

Bob Shaw
