Re: Quarry Wading Pool Bid Rejection

The City advertised for bids for the Tenino Quarry Wading Pool on August 18, 2021 to renovate the wading pool. The City opened the sole bid from Rognlin's, Inc. which was for \$599,000.00 not including sales tax. The bid was much higher than the estimate and project funding.

We recommend that the City reject the sole bid from Rognlin's, Inc.
