

**EXHIBIT A  
AUTHORIZATION FOR ENGINEERING SERVICES NO. 2021-001  
CITY OF TENINO, WASHINGTON**

**RITTER STREET WATER LINE REPLACEMENT**

The Engineer is hereby authorized to perform Engineering Services for the Client as provided for in our General Agreement for Professional Engineering Services dated December 16, 2016, and extended through December 31, 2021, by Amendment No. 1 executed on December 12, 2018, and as more fully described herein:

**PROJECT DESCRIPTION**

The Client has authorized design work to reconstruct Ritter Street from Sussex Avenue to Park Street under a TIB Consultant Agreement. The city now wishes to design the water line replacement at the same time.

**SCOPE OF WORK**

The Engineer will include the design of approximately 740 feet of new 8-inch PVC water line and associated services in the Ritter Street Reconstruction plans and specifications.

**SCHEDULE:**

The water line replacement will be part of the roadway reconstruction plans and specifications to be bid spring of 2022, and will be included as a separate bid schedule.

**BUDGET:**

The budget for the above referenced work shall be set at \$5,000. The Engineer agrees not to exceed this amount without the Client's prior authorization.
