

Tenino Schools

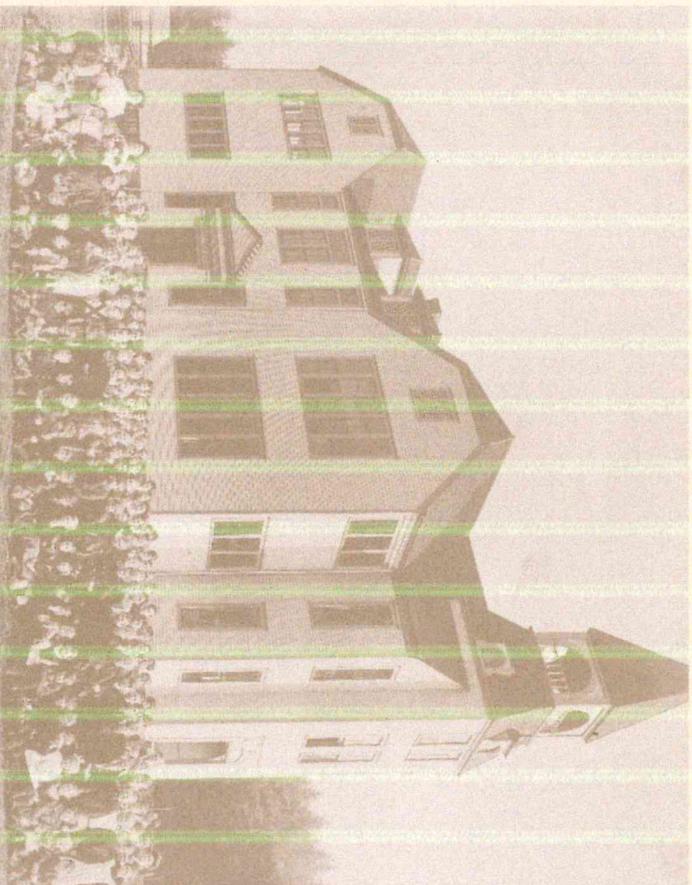

Educating Tenino Youth from the 1890's to the Present Day

The Tenino Honor Roll honors the men and women from Tenino and nearby locations, who have served in the United States Military. They include those men and women who attended or graduated from Tenino High School from 1913 to 1973, as well as those who graduated and served from 1974 to 1012, the first 100 years of Tenino's High Schools.

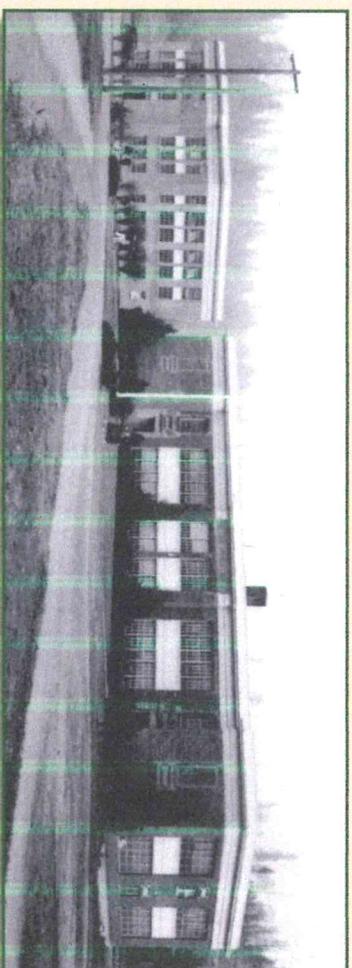

Tenino students' learning tools have progressed from ink wells and nib pens to computers over the last 100 years.
