

I am requesting authorization to sell a surplus firearm to former Tenino Police Sgt Seth Sharp. It is common practice for an officer in good standing at the end of his or her career to request or be afforded the opportunity to purchase his or her firearm. The TPD currently has a surplus of duty pistols. If approved this sale would not negatively impact the TPD's inventory and we would still have a surplus to issue in case of emergencies or the addition of new officers. Our current pistol inventory was purchased from East County Guns. I contacted a representative to get a trade-in value which was quoted between \$330.00 to \$350.00. I am requesting the City approve the sale of the surplus pistol at \$330.00. These funds would be put back into the firearms training budget. The purchaser would be required to undergo all background checks and comply with the required waiting period defined by law. This process would be performed by a licensed federal firearms dealer at no cost to the City. Below is the serial number and make and model of the firearm.

Glock 17 Generation 5 MOS

Serial Number BHSL404
