Dear Tenino Planning Commission,

I write to give notice that I am resigning from the Planning Commission. I'm grateful for the opportunity to serve the city in this capacity for the last 6 years. I'm proud of the progress we made together and am optimistic about the direction the city is headed under your direction. I look forward to continuing to serve the community in other ways.

Please accept this letter as my formal resignation as Tenino City Planning Commissioner position 4.

Sincerely,

Cory Mounts
