

EXHIBIT A
AUTHORIZATION FOR ENGINEERING SERVICES NO. 2019-003
CITY OF TENINO, WASHINGTON

QUARRY HOUSE RENOVATION

The Engineer is hereby authorized to perform Engineering Services for the Client as provided for in our General Agreement for Professional Engineering Services dated December 16, 2016 and extended through December 31, 2019 by Amendment No. 1 executed on December 12, 2018, and as more fully described herein:

PROJECT DESCRIPTION

The Quarry House serves as a community center and is in need of renovation. The Client desires to determine the scope and cost of needed renovation. The first phase of the scoping and budgeting process is to have an architectural report prepared that will identify and summarize structural, electrical, mechanical and ADA access deficiencies of the existing facility.

SCOPE OF WORK

The Engineer will prepare and submit to the Client an architectural report to detail the structural, electrical, mechanical and ADA access deficiencies. The Engineer will subcontract with MWA Architects.

SCHEDULE:

Submit report to Client within 4 weeks of receiving Notice to Proceed from Client.

BUDGET:

The budget for the above referenced work shall be set at \$6,000. The Engineer agrees not to exceed this amount without the Client's prior authorization.
