For May 2025

WHEREAS, The Mayor's "Know Local-Go Local" Business Spotlight Program” was created in order to recognize and showcase local area businesses that are vital to the Town's identity, one of small-Town charm, and local business that serve and support families in our community.

This recognition program is exclusive to none, for we all stand to benefit as a community via prosperity of our Town's businesses. Through this program, members of the community are exposed to a variety of businesses that have displayed their desire to be excellent stewards of not only their business, but of the community, ensured to support diversity in their workplace, and a desire to continue to do the excellent work, service, or craft they perform.
