

A photograph of a single-story house with a mix of blue and brick siding. A large tree trunk in the foreground has a white sign attached to it. The sign reads "NO TRESPASSING RIVER OPTIC VIDEO SURVEILLANCE". The house has several windows, some with white frames. A chain-link fence runs across the middle ground. The yard is mostly dirt with some sparse vegetation and shadows from trees. A large palm tree trunk is visible on the right side of the image.
