Dear Residents,

We are in the process of creating an emergency call list for our residents who may not have access to the internet and who do not have any mobile communication devices. In the event of an emergency one of our staff members will call you directly to your landline to alert you of the situation and advise any preparedness procedures that may be in place. We value our residents safety and want to make sure everyone is prepared for natural disasters and other emergency situations. We understand the limitations of communication for those without wifi or mobile technology. If you are a resident who only has a landline and would like to be on this emergency call list please contact the Thunderbolt Town Hall located at 2821 River Drive in person or call us at (912)-354-5533.

Best Regards,

A handwritten signature in blue ink that reads "Matthew Walker".

Matthew Walker

Town Administrator
