

TOWN OF THUNDERBOLT POLICE DEPARTMENT MEMORANDUM

TO: Mayor and Town Council

FROM: Chief Gene Harley

DATE: June 5, 2026

SUBJECT: Purchase of In-Car Mobile Radios for Thunderbolt Police Vehicles

I respectfully request approval to purchase Motorola APX6500 in-car mobile radios for Thunderbolt Police Department patrol vehicles.

KEY BENEFITS

- **ENHANCED OFFICER SAFETY** – Reliable communications are one of the most critical officer safety tools available.
- **IMPROVED COVERAGE AND SIGNAL STRENGTH** – Vehicle-mounted radios operate at higher power levels than portable radios.
- **OPERATIONAL READINESS DURING CRITICAL INCIDENTS** – Provides dependable communications during emergencies and critical incidents.
- **INCREASED INTEROPERABILITY** – Improves communications with neighboring agencies and emergency responders.
- **REDUCED LIABILITY AND RISK** – Reliable communications reduce operational risk and liability exposure.
- **IMPROVED OFFICER MORALE AND PROFESSIONAL EQUIPMENT STANDARDS** – Demonstrates the Town's commitment to officer safety and professionalism.
- **TRANSFERABLE LONG-TERM INVESTMENT** – Unlike many vehicle-specific pieces of equipment, these mobile radios are transferable between vehicles. Should a patrol vehicle become inoperable, be involved in a collision, or be replaced as part of the fleet replacement cycle, the radio can be removed and installed into another vehicle. This extends the useful

life of the equipment, maximizes the Town's investment, and reduces future replacement costs.

FISCAL IMPACT

The total cost of the proposed purchase is approximately \$72,469.90. The purchase can be funded through the Blue Line account and will require no additional funding from the Town's General Fund.

RECOMMENDATION

I respectfully recommend approval of this purchase as an investment in officer safety, operational readiness, and public safety.

Chief Gene Harley

Chief of Police

Town of Thunderbolt Police Department
