Re: Thunderbolt Elevated Storage Tank
Improvements
Thunderbolt, Georgia
Letter of Recommendation
J – 32667.0000

Dear Mr. Walker:

On October 14, 2025, the Town of Thunderbolt received bids for the above referenced project. Invitations to Bid were published for a minimum of 30 days within the Town of Thunderbolt Website and Georgia Procurement Registry Site as required by OCGA § 36-91-20 and OCGA §50-5-69. Please find enclosed an Abstract of Bids, which presents the itemized pricing for the proposed work by the project bidder.

The Town of Thunderbolt received one (1) bid for the Thunderbolt Elevated Storage Tank Improvements project. We have reviewed the proposal and checked the line item prices for any errors or omissions. The apparent low bidder for the referenced project was BRW Construction Group, LLC in the total amount of \$448,053.00.

BRW Construction Group, LLC has submitted all the necessary forms associated with the bid proposal. We have also checked the State of Georgia – Suspended and Debarred Suppliers list on the Georgia Department of Administrative Services website to determine debarment status of the company and the low bidder is not on the list.

Therefore, Thomas & Hutton recommends the Town of Thunderbolt to award the Thunderbolt Elevated Storage Tank Improvements construction contract to BRW Construction Group, LLC in the amount of \$448,053.00.

If you have any questions, please do not hesitate to contact our office at (912) 234-5300.

Sincerely,

THOMAS & HUTTON

Megan Cook, PE
Project Manager
