Hello, I have attached both certificates. I did send them over to the office yesterday as well via email. I apologize I forgot to attach your address.

Thank you very much.

If you can get me certificate of insurance rider that was needed for you and the pilot's insurance by Friday, that would be great. I need to put in the board packet by 4:30 that day.

Thank you.

Good afternoon,

The Quarry Blast is from 12pm-10pm.

We would like to block off Juliete street from the train tracks to Williams Street. We think it would be best if no cars drive down that road. My thought was we could block off both sides of the tracks.

Also, is it possible to get a one-day permit for outdoor band/sound?

Last year we had a DJ outside, and we also hosted our Karaoke Contest outdoors. We are being vigilant in trying to respect all rules and regulations when it comes to noise to ensure that our neighbor feels comfortable.

I apologize for the delay; I was in court today.

Thank you,

Angela

I'm putting together the board book for the next meeting. Can you provide me specific times you are hosting the block party and specifically what part of Williams street will be affected?

Good Morning,

I apologize for the delay, this somehow wound up in another folder.

We are almost there.

I did get the certificate of insurance rider that was needed on our end, however I am still patiently waiting for the one from the Pilot.

I hope you are settling in well to the Village!

Thank you for checking in!

Angela DeYoung

Hello.

I am just now catching up on all emails from my time away. Were you able to get everything settled, aside the Board approval of the block party?

Thank you!
