

## Thornton Recreation Monthly Report

OCTOBER 2024

Director Sharlee Dunlop

We're back in action with the beginning of Preschool and Preschool Prep. We welcomed back A.A. Meetings, T.O.P.S. and the cardio side of the Fitness Center. We appreciate the patience of the remaining programs on hold until we can begin some restoration projects.

The Scarecrow Stroll begins October 18<sup>th</sup> through November 1<sup>st</sup>. The Pumpkin Hunts will be on October 26<sup>th</sup>. It's not too late to sign up for either of those events. We are set to be a polling place for the November election. We are also planning for Holiday Happenings.

We edit Comcast Channel 4, and our Facebook page. We continue to learn website editing. We encourage residents reach out with any suggestions and always "Take time for fun".
