Regarding Installation and onsite services, this quote is for estimation purposes and is not a guarantee of cost for sign services for installation. The Estimate is based on current information from client about the project. Actual cost may change once project elements are finalized. Client agrees that sign service & repair will add on the cost of ballast, LED lights, lamps, sockets, wiring and other components to restore sign illumination as needed only. Client must request and approve complete replacement of lamps. Client may choose to pay for a site survey wherein we will inspect the sign illumination and will provide an itemized list of replacement components the sign needs.
