Re: August Report

During the month of August, the building department completed 400 inspections. Of the inspections completed 3 were for stop work orders. With the storms that impacted the village there were 14 houses affected with some sort of damage from the storm. 2 of these properties had structural damage that resulted in the properties in a condition that they could not be occupied and both are currently being repaired. The building department also issued 100 citations for the month of August. 18 permits have been issued with total fees collected of \$1,772.00 and it represents \$171,747.69 of work to be completed in the village.
