Re: Purchase 2014 Dodge Ram 4500 HD Bucket Truck

I am requesting approval to purchase a used 2013 Ram 4500 HD bucket truck for a total of \$30,532. This was budgeted in our Capital Fund 08-63-8064 for \$55,000. This vehicle will help Public Works reduce the need to use ladders or other less suitable methods to access elevated work areas and will provide a safer, more stable work platform for Village employees. For example, installing and removal of flags and banners, street signs, tree branches, building repairs, holiday decorations.

Please see attached documentation and let me know if you have any questions.

Thanks

Bryan Roberts,
Superintendent
Department of Public Works
Village of Thornton
