**Re: Inspection Escrow Release
Carton, Proctor & Kiley
Hovtown Sanitary Sewer Pump Station
Current Block 149, Lot 1.01
Borough of Tinton Falls, NJ**

Dear Ms. Hutchinson:

In 1985, an engineering inspection escrow account (#1800947301) was established for the Hovtown Sanitary Sewer Pump Station project. The construction of this project was completed many years ago, and the Borough has assumed ownership and maintenance of the pump station. As the project is no longer active, I have no objection to the release of any remaining escrow funds at this time.

Should you have any questions or require additional information, please do not hesitate to contact me.

Very truly yours,

T&M ASSOCIATES
