

**ORDINANCE NO. 2024-1518**

**BOROUGH OF TINTON FALLS  
COUNTY OF MONMOUTH**

**ORDINANCE AMENDING VARIOUS SECTIONS OF THE LAND USE ORDINANCE OF THE BOROUGH OF  
TINTON FALLS, LOCATED IN CHAPTER XL OF THE BOROUGH CODE, TO IMPLEMENT THE  
RECOMMENDATIONS OF THE PLANNING BOARD IN THE MASTER PLAN REEXAMINATION REPORT  
DATED MARCH 2024**

**WHEREAS**, the Borough Planning Board issued a Master Plan Reexamination Report, dated March 2024, which was the subject of a hearing before the Planning Board on March 27, 2024; and

**WHEREAS**, the Planning Board recommended several changes to current zoning ordinances to clarify and amend the land use regulations of the Borough; and

**WHEREAS**, the Borough Council desires to implement the recommendations of the Planning Board and to clarify and amend the land use regulations of the Borough;

**NOW, THEREFORE, BE IT ORDAINED** by the Mayor and Borough Council of the Borough of Tinton Falls in the County of Monmouth, State of New Jersey that the following sections of Chapter XL of the Borough Code, Land Use, shall be amended and supplemented as indicated, with deletions indicated by ~~strikethroughs~~ and additions indicated in underline:

**SECTION 1.** Section 40-3 of the Borough Code, entitled "Definitions and Word Usages," shall be amended and supplemented as indicated below:

**40-3 DEFINITIONS AND WORD USAGES:**

**ACCESSORY BUILDING OR STRUCTURE**

A building or structure, the use of which is customarily incidental and subordinate to that of the principal building located on the same lot. When an accessory building is attached in a substantial manner by a wall or roof to a principal building or structure, it shall be considered a part thereof. **For purposes of this Chapter, retaining walls and drainage basins shall not be considered an accessory structure.**

**DWELLING**

A structure or portion thereof that is used exclusively for human habitation. Dwellings may include but are not limited to the following types:

**A. DETACHED SINGLE-FAMILY**

A single dwelling unit for one family that is not attached to any other dwelling by any means.

**B. ATTACHED SINGLE-FAMILY/TOWNHOUSE**

A single one-family dwelling unit in a row of three or more such attached units in which each unit has its own front and rear access to the outside, no unit is located over another unit, and each unit is separated from any other unit by one or more vertical common fire-resistant walls.

### **C. DUPLEX**

A building containing two dwelling units attached side-by-side along a common fire-resistant wall.

### **D. APARTMENT**

A dwelling unit in a building having two or more dwelling units where entranceways, hallways, basements, attics, storage areas, heating systems, yards and similar services in the building may be shared in common, singly or in combination.

### **E. GARDEN APARTMENT**

A two-story apartment building containing four or more dwelling units, consisting of units on the first and second floor with common open space.

## **DWELLING UNIT**

One or more rooms designed, occupied or intended for occupancy as separate living quarters with cooking, sleeping and sanitary facilities provided within the dwelling unit for the exclusive use of a single-family maintaining a household, excluding a boat, trailer or other vehicle of any type or temporary shelter such as a tent. **Only one kitchen (stove/range, refrigerator, and sink) is permitted per dwelling unit.**

## **FLEX SPACE**

~~A building used for nonresidential purposes of a light industrial type and designed so the interior walls may be relocated to accommodate different and/or changing needs of occupants.~~ **A building, or parts of a building, suitable for or capable of being changed to accommodate a variety of permitted uses and designed to be used on a short or long-term basis. Flex spaces may be occupied by one or more uses permitted in the zone and/or one or more of the following uses: contractor's offices and shops; establishments for production, processing, assembly, manufacturing, compounding, preparation, cleaning, servicing, testing, or repair of materials, goods or products, provided such activities or materials create no hazard from fire or explosion, or produce toxic or corrosive fumes, gas, smoke, obnoxious dust or vapor, offensive noise or vibration, glare, flashes, or objectionable effluent; and offices. Flex space shall not include warehouse or distribution center uses.**

## **LOT COVERAGE**

That part of one lot or more than one lot which is improved or is proposed to be improved with buildings and/or other structures, including but not limited to principal buildings, accessory buildings, driveways, parking lots, pedestrian walkways, stone areas, signs and other man-made improvements on the ground surface, but excluding the water surface of any swimming pool, hot tub or spa. For purposes of this chapter, neither ~~the~~ **the** water surface area of any swimming pool, ~~hot tub or spa~~ nor the area of balconies without stairs shall be counted as lot coverage.

## **LOT LINE, FRONT**

The lot line separating a lot from a street right-of-way, also referred to as a "street line." **For non-residential uses, the front lot line shall only be the lot line(s) which provide direct driveway access to the lot and shall not include lot lines adjacent to State highways or the Garden State Parkway where no access is provided.**

## **PATIO**

A surface structure affixed to the ground throughout its area (such as poured concrete, brick, **gravel, stone,** or flagstone) and having no portion supported by piers, columns, or posts and having no portion used for a parking space. A structure that is supported by piers, columns, or posts in any manner shall be considered a "deck". Patios may abut a building or may be located separate from a building. Patios shall meet the setback requirements ~~of an accessory building~~ **indicated in Section 40-33.D.2**, even if attached to the principal building, except if a patio abutting a principal building has a roof, railing, or other structural elements above the finished grade of the patio, it shall meet the setback requirements for the principal building.

**SECTION 2.** Section 40-7 of the Borough Code, entitled "Fees," shall be amended and supplemented as indicated below:

### **40-7 FEES**

Any applicant to the Planning Board or the Zoning Board of Adjustment shall pay the following to the Borough of Tinton Falls at the time of application.

#### A. Fee Categories

1. An initial application fee to defray the administrative costs of the Planning and Zoning Offices. (See Schedule ~~F G~~ — Borough of Tinton Falls Planning and Zoning Board Fee Schedule.)
2. Escrow moneys to be deposited to pay the cost of any professional fees incurred for the review of a submission for development. Said escrow moneys shall be placed in an escrow account pursuant to Section 40-8, Escrow Deposits. Additional deposits will be required to be paid into the escrow account in order to cover additional professional review and services in the event the initial escrow deposit has been reduced to an insufficient amount to cover anticipated costs. (See Schedule ~~F G~~ — Borough of Tinton Falls Planning and Zoning Board Fee Schedule).

\*\*\*

- #### B. Amount of Application Fees.
- No application shall be deemed complete or proceed before the Board, or receive final action on the application, until all fees are paid and the required escrow deposits (see Section 40-8) are received by the Borough and posted with the Department of Finance. With any application fee amounts over \$5,000, the Borough reserves the right to retain 33 1/3% of the interest accrued for administrative costs; the balance of the interest shall be paid to the applicant. Escrow moneys that are not allocated for the above will be returned as soon as possible after completion of the application upon written request by the applicant and after payment of all final bills for professional services rendered. See Schedule ~~F G~~ - Borough of Tinton Falls Planning and Zoning Board Fee Schedule for all application fees.

- #### C. Calculation of fees.

1. Submissions involving more than one use shall pay a fee equaling the sum of the fees for the component elements of the plan.
- ~~2. Submissions involving a combination of approvals filed concurrently including but not limited to subdivision, site plan and/or variance shall pay the highest fee in full, plus 1/2 of each other fee applicable for each additional approval required.~~
- ~~3~~**2**. Submissions involving a combination of approvals, **shall pay a fee equaling the sum of the fees for the various application types.** ~~not filed concurrently shall pay the full fee as imposed herein.~~
- ~~4~~**3**. Where a submission involves part of unit of measure on which a fee is based, said unit of measure shall be rounded upward to the next whole unit.

**SECTION 3.** Section 40-9 of the Borough Code, entitled "Permits," shall be amended and supplemented as indicated below:

#### **40-9 PERMITS**

\*\*\*

- D. Each request for a zoning permit **shall be accompanied by the necessary payment in accordance with Schedule G – Land Use Fee Schedule** and a certificate of occupancy shall be accompanied by a certified check or bank money order payable to the Borough of Tinton Falls in the amount of \$10 for a zoning permit plus an additional \$13, \$10 of which is for G.I.S. and \$3 to be placed in a separate escrow account to be utilized for a computerized document management system; and \$15 per dwelling unit for a certificate of occupancy plus an additional \$13, \$10 of which is for G.I.S. and \$3 to be placed in a separate escrow account to be utilized for a computerized document management system and \$50 for each 1,000 square feet of gross floor area of nonresidential use for a certificate of occupancy.

**SECTION 4.** Section 40-24 of the Borough Code, entitled "Checklists and Applications," shall be amended and supplemented as indicated below:

#### **40-24 CHECKLISTS AND APPLICATIONS**

No application for development shall be deemed complete unless the items, information and documentation listed in the applicable application form and checklist are submitted to the Board. If any required item is not submitted, the applicant must request in writing a waiver and state the reasons supporting each such request.

DEVELOPMENT APPLICATION FORMS, See Schedule C (**Planning Board**) and Schedule D (**Zoning Board**).

DEVELOPMENT APPLICATION CHECKLIST, See Schedule ~~D~~ **E**.

### General Requirements

1. The completed Application Form (original and ~~20~~ **14** photocopies). If any item is not applicable to the applicant, it should so be indicated on the application form.
2. The completed Application Checklist (original and ~~20~~ **14** photocopies). If any item is deemed not applicable by the applicant, it should so be indicated on the application checklist and a waiver request should be made.
3. All listed Application Checklist items as required.
4. Statement as to any requirements for which waiver is sought, together with a statement of reasons why waivers should be granted (original and ~~20~~ **14** photocopies).
5. Ownership Disclosure Affidavit (original and **4** ~~14~~ photocopies). If applicant is not the owner, the applicant's interest in the land; e.g., tenant, contract/purchaser, lien holder, etc. If a corporation or partnership, list the names and addresses of all stockholders or individual partners owning at least 10% of its stock of any class as required by N.J.S.A. 40:55D-48.1 et seq.
6. Contribution Disclosure Statement pursuant to Borough Ordinance No. 05-1153 (original and **4** ~~3~~ photocopies).
7. Tax Collector Certification (original and **4** ~~14~~ photocopies).
8. List of witnesses proposed to be presented and their expertise, if any (original and **4** ~~14~~ photocopies).
9. Minimum of 4 photographs of the site and buildings (original and ~~20~~ **14** photocopies). Original photos shall be either 3 1/2 inches by 5 inches or 4-inch by 6-inch individual prints and the ~~20~~ **14** photocopies shall be 4 photographs on a single 8 1/2 inch by 11-inch sheet. Photos shall be taken at various points on the site and show any areas subject to development.
10. ~~6~~ **5** copies of plans shall be a minimum of sheet size 22 inches by 34 inches for professional review. If more than 1 sheet is required to show the entire subdivision, a separate composite map shall be drawn showing the entire subdivision on 1 sheet and the sheets on which the various sections are shown.
11. ~~14~~ **11** copies of reduced sized plans shall be of sheet size 11 inches by 17 inches for Board review. Board review plans shall be scaled exactly 50% of those plans submitted for professional review to provide reliable scaling. A graphic scale must be included on every drawing. Reduced sized plans shall have a font size of no less than 8 point and all labels must be clearly legible. **These reduced plans shall not be submitted until the application has been deemed complete and the plans requested by the Board Secretary.**
12. 1 digital copy of **all application documents, including application, letters, reports, plans, etc.** ~~final, approved plans submitted for Borough files.~~
13. ~~1 digital copy of plans shall be submitted as a PowerPoint slides on CD-ROM for Board hearing.~~
14. ~~1 digital copy of all other general requirements as PDF on CD-ROM.~~

**SECTION 5.** Section 40-26 of the Borough Code, entitled "Specific Design Standards," shall be amended and supplemented as indicated below:

#### 40-26 SPECIFIC DESIGN STANDARDS

\*\*\*

##### H. Easements

\*\*\*

6. The removal of trees and ground cover shall be prohibited in a conservation easement or flood plains except for the following purposes: The removal of dead or diseased trees; limited thinning of trees and growth to encourage the most desirable growth; and the removal of trees to allow for structures designed to impound water or areas to be flooded as a result of the creation of ponds or lakes. **Any trees removed shall be replaced in kind by either a 2.5-inch caliper deciduous tree or 6-foot evergreen tree. The construction of any manmade structure is prohibited in a conservation easement (fence, shed, patio, deck, pool, etc.).**

\*\*\*

#### K. Garages

1. Any residential garage shall match the architectural design of the principal residential structure on the lot in terms of color, roof pitch, cladding material and other details.
2. **The minimum interior dimensions for either an attached or detached garage shall be 10 feet wide by 20 feet deep.**

\*\*\*

#### M. Landscaping/Shade Trees

\*\*\*

3. All shade trees shall have a minimum diameter of three inches measured six inches above the ground and be of a species ~~approved by the Shade Tree Commission~~ **included in the Shade Tree Commission's list of Approved Shade Trees for the Borough of Tinton Falls.**

\*\*\*

- e. ~~In the case of collector, two-lane arterial, or local streets, an~~ **An** exclusive shade tree easement (with the exceptions noted below) dedicated to the Borough shall be recorded on the subdivision deed and the final subdivision plat and/or the final site plan. The easement shall be ~~five~~ **fifteen** feet wide ~~for a collector street and a two-lane arterial street, and eight feet wide for a local street.~~ The deed or final plat shall contain a statement that provides for the planting of shade trees within the easement 40 feet apart along the right-of-way, ~~that the trees shall be the property of the Borough of Tinton Falls, and~~ **that** the property owner is prohibited from **removing**, relocating, or purposefully causing damage to, or trimming the trees other than routine maintenance. The statement shall further state that no other easement(s) shall be allowed in the same area except for sight triangle easements and utility easements which must cross the shade tree easement. The shade tree easement may also have improvements within the easement such as driveway crossings and utility services necessary to access and to serve the dwelling or building(s) contained on the lot.
- f. Route maintenance **(including removal of any dead or dying trees)** shall be the responsibility of the property owner and shall commence once the certificate of

occupancy has been issued. **A tree removal permit shall be required in accordance with Chapter 17 for any trees to be removed.**

\*\*\*

8. A landscape plan prepared by a certified landscape architect **or Professional Engineer** shall be submitted with every subdivision and site plan showing the proposed grading, plant material and other features such as, but not limited to, street furniture, walkway locations, pavement material, lighting, and any decorative improvements that are located outside parking and loading areas detailed above, including, but not limited to, stormwater management facilities, street trees, park and recreation areas, the yard areas of buildings, and building foundation plantings.

9. **A Tree Preservation and Removal Plan in accordance with §17-5 shall be submitted with every subdivision and site plan for any non-single-family property greater than one acre in size.**

\*\*\*

Q. Off-Street Parking

\*\*\*

2. Off-street parking and loading areas shall be coordinated with the public street system serving the area in order to avoid conflicts with through traffic, obstruction to pedestrian walkways and vehicular thoroughfares. Shared parking among mixed uses shall be encouraged.

\*\*\*

- p. There shall be a minimum setback of 5 feet from the property line ~~or to~~ driveways in single-family residential zones. In nonresidential zones, the minimum parking setback shall be ~~10~~ **20** feet.

R. Off-Street Loading

\*\*\*

3. ~~Standard institutional and light industrial/w~~ Warehouse loading spaces shall measure at least ~~15~~ **12** feet wide by 60 feet long, with a height clearance of not less than ~~20~~ **15** feet. All other loading spaces shall measure at least 12 feet wide by ~~45~~ **30** feet long, with a height clearance of not less than 15 feet.

\*\*\*

V. Storage and Disposal of Waste – Nonresidential and Multifamily Development.

1. Outdoor refuse and recycling containers shall be visually screened within a durable enclosure **constructed of split-face masonry block or similar durable material. Fencing is not permitted for enclosures.**

\*\*\*

## W. Streets

\*\*\*

~~9. No local street shall be part of a four-way intersection.~~

\*\*\*

22. Streets shall be constructed in accordance with the standard specifications of the New Jersey Department of Transportation.

a. Pavement thickness shall not be less than the following:

(1) Arterial and collector streets: bituminous stabilized base course, six inches compacted thickness; FABC, ~~two~~ surface course, two inches compacted thickness.

(2) Local Streets: bituminous stabilized base course ~~five~~ **four** inches compacted thickness; FABC, ~~one~~ surface course, ~~1 1/2~~ **two** inches compacted thickness.

b. **All streets shall be excavated to a depth of six inches below the proposed base course and filled with a dense graded aggregate or other suitable subbase material as determined by the Board Engineer.** ~~Where subbase conditions are wet, springy or of such nature that surfacing would be inadvisable without first treating the subbase, these areas shall be excavated to a depth of at least six inches to 12 inches below the proposed subgrade and filled with a suitable subbase material as determined by the Borough Engineer. Where required by the Engineer, a system of porous pipe, subsurface drains shall be constructed beneath the surface of the paving and connected to a suitable drain. After the subbase material has been properly placed and compacted, the surfacing material shall be applied.~~

**SECTION 6.** Section 40-28 of the Borough Code, entitled "Zoning Districts," shall be amended and supplemented as indicated below:

### **40-28 ZONING DISTRICTS**

A. Establishment of Zones. For the purposes of this Article, the Borough is hereby divided into districts, as follows:

|                                    |                                     |
|------------------------------------|-------------------------------------|
| RA                                 | Residential Agricultural            |
| R-1                                | Single-Family Residential           |
| R-2                                | Single-Family Residential           |
| R-3                                | Residential                         |
| R-3-I                              | Residential Inclusionary            |
| R-4                                | Residential                         |
| <del>R-4</del> <b><u>R-4-A</u></b> | <del>Residential Inclusionary</del> |

|                    |  |
|--------------------|--|
| AR                 | Age Restricted Housing   |
| CCRC/AH            | Continuing Care Retirement Community <del>with Affordable Housing</del>                  |
| AH                 | Affordable Housing (Including Age Restricted)  |
| NC                 | Neighborhood Commercial  |
| HCC                | Highway/Community Commercial   |
| IOP                | Industrial Office Park   |
| MFG                | Manufacturing  |
| MFG2               | Manufacturing 2  |
| OS/GU              | Open Space/Government Use  |
| RET                | <del>Large Scale Planned Retail Overlay Zone in Rehabilitation/Planned Development</del> |
| Overlay Area       | <del>(Requires certain requirements be met)</del>  |
| Route 66           | <b><u>Route 66</u></b> Redevelopment Area  |
| CECOM              | <b><u>CECOM</u></b> Redevelopment Area   |
| TR                 | Transportation Corridor  |
| <b><u>FMRA</u></b> | <b><u>Fort Monmouth Redevelopment Area</u></b>   |

B. Zoning Map

The location and boundaries of the above districts are hereby established on the Zoning Map of the Borough of Tinton Falls in Monmouth County dated ~~September 2008~~, **August 27, 2024**, which is filed in the office of the Borough Clerk. Said map or maps and all notations, references and designations shown thereon shall be part of this Article as if the same were all fully described and set forth therein.

**SECTION 7.** Section 40-29 of the Borough Code, entitled “General Regulations,” shall be amended and supplemented as indicated below:

**40-29 GENERAL REGULATIONS**

\*\*\*

D. Critical Environmental Areas

\*\*\*

4. Nonresidential Development. Any and all buffer requirements **shall be as deemed necessary by NJDEP** ~~for principal structures, accessory structures, parking spaces and drive aisles shall be measured from critical environmental areas.~~

E. Conservation Easements.

1. The removal of trees and ground cover shall be prohibited in a conservation easement or flood plains except for the following purposes: The removal of dead or diseased trees; limited

thinning of trees and growth to encourage the most desirable growth; and the removal of trees to allow for structures designed to impound water or areas to be flooded as a result of the creation of ponds or lakes. Any changes, additions or removals of any materials within a conservation easement shall be subject of a permit from the Administrative Officer or his/her designee. **Any trees removed shall be replaced in kind by either a 2.5-inch caliper deciduous tree or 6-foot evergreen tree. The construction of any manmade structure is prohibited in a conservation easement (fence, shed, patio, deck, pool, etc.).**

**SECTION 8.** Section 40-31 of the Borough Code, entitled “Principal Buildings and Principal Uses,” shall be amended and supplemented as indicated below:

**40-31 PRINCIPAL BUILDINGS AND PRINCIPAL USES**

- A. Only one principal use may be present on a lot, except for related uses forming one principal use in accordance with an approved plan, and limited to the following:
1. Public or institutional building complexes.
  2. Office complexes or retail shopping centers.
  3. Continuing care retirement communities.
  - 4. Flex space and warehouse type buildings with multiple permitted uses, only when the site has sufficient parking for all proposed uses in accordance with Parking Schedule 1 and when proposed combination of uses does not pose a safety hazard due to conflicting types of work, equipment, vehicles, etc.**

A mix of permitted uses and their permitted accessory uses shall not be considered a single principal use, with the exception of those uses enumerated above.

- B. Only one principal building may be erected on a lot except for related buildings forming one principal use in accordance with an approved plan, and limited to the following:
1. Public or institutional building complexes.
  2. Office complexes or retail shopping centers.
  3. Multi-family dwelling complexes.
  4. Continuing care requirement communities. ~~Developments with multiple buildings and uses as enumerated above may be approved on one lot provided each principal building and its accessory buildings are designed and spaced on the tract so they are spaced to allow a conforming subdivision at some future date by having the required street frontage, not exceeding the applicable floor area ratio, and meeting minimum lot size, lot dimensions, yards, parking, lot coverage, building coverage, and similar zoning and bulk requirements.~~
  - 5. Warehousing, light industrial, flex space or self-storage complexes.**

**SECTION 9.** Section 40-32 of the Borough Code, entitled “Prohibited Uses,” shall be amended and supplemented as indicated below:

**40-32 PROHIBITED USES**

\*\*\*

- F. No portable storage unit (shipping container, trailer, POD, etc.) shall be parked in or on any grassy area that constitutes the front yard of any dwelling within the Borough of Tinton Falls. Parking of the above-mentioned classes of storage units shall be confined to a driveway ~~for no longer than 30 days~~ or other approved parking area **for no longer than 30 days** and shall not interfere with any required parking stall. The use of any class of storage unit shall be subject to the appropriate permitting requirements of the Borough.
  
- J. ~~All classes of cannabis licenses as said terms are defined in section 3 of P.L. 2021, c. 16, are prohibited from operating anywhere in the Borough of Tinton Falls but not the delivery of cannabis items and related supplies by a delivery service not subject to local jurisdiction.~~

**SECTION 10.** Section 40-33 of the Borough Code, entitled “Accessory Structures and Uses,” shall be amended and supplemented as indicated below:

**40-33 ACCESSORY STRUCTURES AND USES**

- B. The following requirements shall be complied with in all residential zones:
  - 1. No accessory building or structure shall be used for human habitation.
  - 2. Except as specifically permitted elsewhere in this article, no accessory building or structure shall exceed 15 feet in height **as measured to the peak of the roof.**

\*\*\*

- 7. An accessory building or structure ~~less than 10 feet in height~~ shall not be closer than five (5) feet to a side lot line or three (3) feet from a rear lot line and shall only be permitted to the rear of the principal building.
  
- 8. ~~An accessory building or structure greater than 10 feet in height shall not be closer than the height of the building to a side or rear lot line and shall only be permitted to the side or rear of the principal structure.~~

- C. The following requirements shall be complied with in all nonresidential zones:

\*\*\*

- 6. Up to two accessory buildings or structures are permitted on a lot. **Trash enclosures shall not be included in this limit on the number of accessory buildings or structures.**
  
- D. Requirements – Specific Accessory Structures and Uses. Requirements for specific accessory structures and uses.

1. Outdoor Storage

- a. **Where permitted below**, outdoor storage, except for the outdoor storage and display of retail goods and merchandise within designated areas as permitted herein, is prohibited within the front yard or in a side yard adjoining a street.
- b. The outdoor storage of any items, materials, and equipment, other than those customarily placed in courtyards and yards, incidental to authorized residential use and occupancy, is prohibited in all residential zones.
- c. No flammable or explosive liquids, solids or gases shall be stored above ground unless as otherwise required by applicable federal, state, or local regulations. Tanks or drums of fuel directly connecting with heating devices or appliances located on the same premises as the tanks or drums of fuel are excluded from this provision.
- d. No materials or wastes shall be stored on any premises in such form or manner that they may be transferred off such premises by natural causes or forces such as wind or water.
- e. All materials or wastes which might cause fumes or dust or which constitute a fire hazard, or which may be edible by or otherwise attractive to rodents or insects, shall be stored outdoors only in closed containers.
- f. Commercial Outdoor Storage. **Outdoor display or storage of any materials are prohibited, with the exception of the following.**

~~(1) All commercial outdoor storage, except for the outdoor storage and display of retail goods and merchandise within designated areas as permitted herein, shall be set back from a school or recreation area at least 300 feet and set back from any residential property line at least 100 feet.~~

~~(2) All commercial outdoor storage, except for the outdoor storage and display of retail goods and merchandise within designated areas as permitted herein, shall be in the rear or side yard and screened from view of all public streets by buildings and/or a fifty-foot buffer of dense evergreen plant material and/or fences as deemed necessary by the Board to achieve the intended buffer.~~

**(1)(3)** Retail Wholesale Stores. Outdoor storage and display of lumber, building supplies, nursery stock, and garden supplies shall be permitted provided the material is limited to a single area of the site and this area does not exceed 10% of the lot area.

**(2)(4)** Landscaping, Construction, Demolition or other such Contractors. Outdoor equipment storage such as construction equipment, trucks, chippers, mulch piles and stockpiles of clean materials shall be permitted, provided the equipment and materials are limited to a single area of the site and this area does not exceed 50% of the lot area, **with the exception of the MFG-2 Zone where this area shall not**

**exceed 75%.** Under no circumstances shall any stored material leave the site by natural causes or forces such as wind or water.

**(3)(5)** Concrete and Asphalt Manufacturing Plants. Outdoor equipment storage such as loaders, trucks, and other such equipment and stockpiles of aggregate materials shall be permitted provided the equipment and materials are limited to a single area of the site and this area does not exceed 10% of the lot area. Aggregate materials must be stored in designated bins or other such constructions. Under no circumstances shall any stored material leave the site by natural causes or forces such as wind or water.

**(4)(6)** Outdoor Storage and Display of Retail Goods and Merchandise. The outdoor storage and display of retail goods and merchandise shall be permitted provided that the storage and display of such goods and merchandise takes place within designated areas approved by the Planning Board, Board of Adjustment, or Administrative Officer. The outdoor storage and display of retail goods and merchandise shall take place in an orderly manner and shall not create a junk like condition that results in a negative visual impact when viewed from a public street, right-of-way, or an adjacent property, nor shall such storage and display of retail goods and merchandise encroach upon any required yard setback. Each designated storage and display area shall be screened from all public rights-of-way and adjacent properties through a combination of fencing and landscaping. Fencing shall be provided in accordance with the provisions of § 40-33.D.5. Landscaping shall be provided around the outside of the fenced outdoor storage and display area in accordance with § 40-25.D and § 40-25.E.

~~(7) All Other Commercial Uses. Outdoor display or storage of any materials are prohibited.~~

**(5)(8)** Resource recycling facilities are governed by separate ordinance section.

**(6)(9)** Single Stream Recycling Facilities. Outdoor equipment storage such as construction equipment, loaders, trucks and other such equipment, outdoor storage of Class A, Class B and Class C recyclable materials (excepting they're from source separated food waste), and outdoor processing of Class B and Class C recyclable materials (excepting they're from source separated food waste) and scrap metal shall be permitted provided the equipment, processing and materials are limited to a single area of the site and this area does not exceed 65% of the lot area. Pre- and post-processed recyclable materials must be stored in designated bins or similar enclosures. Under no circumstances shall any material stored outdoors leave the site by routinely occurring natural causes or forces such as wind or water.

**(7) All commercial outdoor storage, except for the outdoor storage and display of retail goods and merchandise within designated areas as permitted herein, shall be set back from a school or recreation area at least 300 feet and set back from any residential property line at least 100 feet.**

**(8) All commercial outdoor storage, except for the outdoor storage and display of retail goods and merchandise within designated areas as permitted herein, shall be in the rear or side yard and screened from view of all public streets by buildings and/or a fifty-foot buffer of dense evergreen plant material and/or fences as deemed necessary by the Board to achieve the intended buffer.**

2. Decks and Patios.

\*\*\*

- c. Second story decks shall be permitted if accessed from the building interior only, **with the exception of bi-level houses, which are permitted to have a second story deck with stairs to the yard if the kitchen is located on the second floor. In no instance shall a second story deck lead to an additional dwelling unit.** No second floor decks shall be permitted on accessory buildings.

3. Swimming Pools/Hot Tubs/Spas.

\*\*\*

- c. The water surface of any swimming pool, ~~hot tub or spa~~ shall not be included in the calculation of lot coverage.
- d. ~~Fencing in the front yard shall not be located closer than the front building line or 20 feet from the front property line, whichever is greater.~~ **Fencing shall be in accordance with Section 40-33.D.5.** Safety fencing height shall be four feet.

\*\*\*

5. Fences and Walls.

\*\*\*

- i. Fences in the front yard shall not exceed four feet in height (except on farm qualified properties), shall be set back at least ~~10~~ **5** feet from the edge of the front property line.
- j. Walls in the front yard shall not exceed two feet in height and shall be set back at least ~~10~~ **5** feet from the edge of the front property line.

\*\*\*

- n. For corner lots or lots with multiple frontages, fences in a front yard that is not the front yard as determined by street address shall not exceed six feet in height and may be of solid construction if the fence conforms to the front yard setback requirements and is screened by landscaping ~~in compliance with this chapter.~~ **The landscape screening shall**

**be a continuous row of evergreen trees or shrubs. The plantings shall be a minimum of four feet high at planting and have a mature height of at least six feet.**

- o. For through lots abutting Heritage Boulevard and another street, six-foot-high solid fences are permitted to be set back no less than five feet and no greater than a distance of 10 feet from the Heritage Boulevard right-of-way, and shall meet all other requirements of this section. ~~For any six-foot-high fence along Heritage Boulevard, an evergreen landscaped buffer no less than three feet in width shall be provided between the fence and Heritage Boulevard.~~ **Any six foot high fence along Heritage Boulevard shall be screened by landscaping. The landscape screening shall be a continuous row of evergreen trees or shrubs. The plantings shall be a minimum of four feet high at planting and have a mature height of at least six feet.**

\*\*\*

9. Commercial Vehicle Parking. Any vehicle used for commercial purposes shall not be parked, stored or maintained on any lot in a residential zone except:
  - a. No more than two motorized vehicles (maximum two vehicles) used for commercial purposes may be parked, stored or maintained on any lot in a residential zone, but only if any such vehicle (i) has a height of eight feet or less (excluding antennas and exhaust stacks), and (ii) has a length of 20 feet or less which length shall be measured as the total overall length but not including removable accessories.
    - (1) Any vehicle bearing a commercial, tractor, livery, school bus or omnibus motor vehicle registration shall be presumed to be used for commercial purposes.
    - (2) Notwithstanding any provision in this Chapter to the contrary, garbage trucks, tanker trucks, waste disposal vehicles, buses, tractor trailers, **construction or landscaping trailers**, or motorized construction vehicles/equipment are expressly prohibited from being parked, stored or maintained in any residential zone.
    - (3) The owner/operator of any commercial vehicle(s) shall reside on the property on which the vehicle is parked.
10. Recreational Vehicles. The parking of recreational vehicles less than ~~six~~ **ten** feet in height **and 28 feet in length** shall be confined to the rear yard on a prepared surface, not unlike a driveway, and shall be 15 feet from any property line. All other recreational vehicles shall not be parked, stored, or maintained on any lot. One vehicle as described in the definition of recreational vehicles is permitted. **Any such vehicles stored in accordance with this section shall not be occupied and shall not be provided with utility connections.**
16. Permanent Emergency Generators.
  - a. Only one generator with a maximum output of 48 kilowatts shall be permitted per **residential** unit. **Commercial units shall not be limited by kilowatt size.**

\*\*\*

- h. **All** generators shall be appropriately screened and buffered by evergreen plantings or a fence. **The plantings or fence shall be at least as tall as the generator enclosure and**

**located to screen the view of the generator from the street and surrounding properties.**

- i. The noise level of generators shall not exceed 70 decibels at any property line. Any generator less than 23 feet from the property line shall have an evergreen buffer **planted directly** around **three sides of** the generator to aid in sound reduction. **The plantings shall be at least as tall as the generator enclosure.** All generators shall have a weatherproof sound attenuating enclosure.

**SECTION 11.** Section 40-34 of the Borough Code, entitled "Signs and Flag Poles," shall be amended and supplemented as indicated below:

#### **40-34 SIGNS AND FLAG POLES**

\*\*\*

- D. Fees. The fees to be paid to the Borough of Tinton Falls **for the zoning permit application review of a complete sign package shall be \$150.** ~~for the erection of each new sign shall be:~~
  1. ~~For new signs regardless of their size: \$50 per sign.~~
  2. ~~For the alteration or relocation of any existing sign, or to change the wording, color, or illumination of an existing sign: \$50 per sign.~~

\*\*\*

- M. The following signs and the standards and conditions that govern such signs are set forth below. All other signs are expressly prohibited.

1. Signs in Residential Districts

\*\*\*

- c. One ground sign per development of a residential major subdivision and/or residential major site plan, provided that said sign does not exceed 24 square feet in size and the information contained thereon is limited to the name of the development and the name of the developer. Said sign, if permanent, shall be either located on a brick wall and landscaped, or set in a landscaped island. **The sign shall be set back a minimum of ten feet from the right-of-way line and outside of any required sight triangle.**

\*\*\*

3. Signs in Nonresidential Districts Except the HCC Highway/Community Commercial District.

\*\*\*

- c. Signs for retail, commercial and service establishments shall be constructed under the following limitations:
  - (1) Wall signs, one wall sign per wall facing a public street, are permitted which shall

comply with the following standard.

| Setback of the Building from the Street Right-of-Way | % of Wall Area | Sign Height | Sign Area       |
|--|----------------|-------------|-----------------|
| Within 50 feet of street right-of-way                | 5%             | 4 feet      | 40 square       |
| 51 feet to 100 feet                                  | 7%             | 5 feet      | 60 square feet  |
| 101 feet to 200 feet                                 | 9%             | 6 feet      | 80 square feet  |
| 201 feet to 300 feet                                 | 11%            | 7 feet      | 100 square feet |
| More than 300 feet                                   | 12%            | 8 feet      | 120 square feet |

- (2) Tenant signs, in addition to wall signs, tenant signs **identifying the user of a multi-tenanted space are permitted up to an area of 10% of the wall area of the tenant's unit.** ~~up to six square feet per separate retail or services tenant on the premises shall be permitted.~~ Illumination is permitted.
- (3) Lots having more than two tenants may have tenants' names aggregated into one directory sign located at or near the main entrance into the building and be either attached to the building or be freestanding not more than 10 feet from the entrance to the building, provided the resulting directory sign does not exceed four square feet per business or 36 square feet in aggregate, whichever is less, and provided further that said sign is not located and designed to be read by drivers traveling the adjacent street.
- (4) Ground signs, in addition to wall signs, a ground sign which shall not exceed 50 square feet in size, shall be permitted. Ground signs shall be constructed so that no void is present between the sign and the ground. Ground signs shall not exceed six feet in height and shall be located a minimum of 20 feet away from all property lines. Illumination is permitted.
- (5) Freestanding signs, in addition to wall signs and in lieu of a ground sign, a freestanding sign which shall not exceed 25 square feet in size, shall be permitted. Freestanding signs shall not exceed eight feet in height with a minimum ground clearance of three feet and shall be located a minimum of 10 feet away from all property lines. Illumination is permitted.

4. Signs HCC Highway/Community Commercial District.

- a. Freestanding Pylon Signs. One freestanding pylon sign shall be permitted per highway frontage on which an access is provided and shall conform to the following standards. Freestanding pylon signs shall not be permitted on local roads or on frontages without access. Illumination is permitted.

| Location      | Size<br>(square feet) | Height<br>(feet) | Setback<br>(feet) |
|---------------|-----------------------|------------------|-------------------|
| State Highway | 400                   | 35               | 10                |
| County Road   | 200                   | 20               | 20                |
| Local Road    | Not Permitted         | Not              | Not               |

- b. Wall Signs. One wall sign per wall facing a public street is permitted and shall not exceed 10% of the wall area to which the sign is to be attached. Each such sign shall be attached to the front wall only, except when the building to which it is attached is a corner building of a shopping center, then an attached sign shall be permitted on both the front and side wall (not applicable to freestanding building, freestanding buildings are limited to one wall sign per wall facing a public street). Each wall sign shall be designed so as to be consistent in design with all other wall signs if in a shopping center and no wall sign shall have letters larger than 12 feet in height and no wall sign shall have an area exceeding 600 square feet. Illumination is permitted.
- c. Tenant signs, in addition to wall signs, each tenant sign in the shopping center shall be allowed one pedestrian-oriented tenant identification sign in addition to an attached fascia wall sign. ~~Such~~ **The pedestrian-oriented** tenant sign shall be located at the front of the building and be a minimum height of eight feet above the walkway and shall be placed only on or under a canopy or sidewalk cover and shall not exceed six square feet in area. **Each tenant is permitted one wall identification sign up to an area of 10% of the front wall area of the tenant's unit.** Each tenant in the shopping center shall be allowed one identification sign over its rear entrance or loading bay and shall not exceed ~~two~~ **six** square feet in area. Illumination is permitted.
- d. Ground Signs. In addition to wall signs and in lieu of a freestanding pylon sign, a ground sign which shall not exceed 60 square feet in size, shall be permitted. Ground signs shall be constructed so that no void is present between the sign and the ground. Ground signs shall not exceed six feet in height and shall be located a minimum of 20 feet away from all property lines. Illumination is permitted.

\*\*\*

- O. Temporary Signs. Temporary signs may be erected and maintained without either action of the Board or a construction permit, provided that said sign(s) adhere to the applicable regulations of this Chapter.
  - 1. Temporary signs advertising the sale or rental of the premises upon which said sign has been erected or a sign indicating that said premises have been sold or rented, provided that:
    - a. Such temporary signs shall be erected only on the premises to which they relate. They shall not be permitted on any other property or within the public right-of-way.
    - b. The area of any such temporary sign **associated with an individual single-family** lot shall not exceed six square feet and three feet in height. **Temporary signs associated with developments approved by the Planning Board or Zoning Board that are under construction shall not exceed thirty-two square feet and six feet in height.**

**SECTION 12.** Section 40-35 of the Borough Code, entitled "Certain Permitted Uses," shall be amended and supplemented as indicated below:

**40-35 CERTAIN PERMITTED USES**

\*\*\*

F. Self-Storage Facilities

1. Self-storage facilities shall have perimeter walls of a finished material (painted or unpainted cinder block or concrete block is not permitted).
- ~~2. The perimeter walls and ends of buildings shall have mansard or peaked roof design (interior portions may be flat, or pitched, or any other design).~~
- ~~3.~~ **32.** The perimeter walls shall be solid with no means of access to individual storage units (all entrances to the storage areas shall be from the interior of the site). Up to three common exterior doors are permitted to allow common access to the interior of the building.
- ~~4. There shall be no driveway around the perimeter of the site running around the outside the buildings, or on the side(s) that abut a residential zoning district.~~
- ~~5.~~ **53.** All material being stored shall be stored inside the building(s) including boats, motor vehicles, trailers, bulk items, and any and all other material.
- ~~6. All lighting shall be inside the perimeter of the buildings, except wall mounted, perimeter security lighting may be permitted provided it is shielded from shining outward and is designed and mounted as "up lighting" or "down lighting".~~
- ~~7.~~ **74.** No building shall exceed a height of ~~12~~ **40** feet ~~except the perimeter roof design shall not exceed 20 feet.~~
- ~~8.~~ **85.** There shall be a minimum seventy-five-foot buffer area along any residential zoning district and 25 feet elsewhere.

**SECTION 13.** Section 40-36 of the Borough Code, entitled "Supplemental Standards," shall be amended and supplemented as indicated below:

**40-36 SUPPLEMENTAL STANDARDS**

\*\*\*

- H. Inclusionary Zones (R-3 or R-4) Requirements. Inclusionary (R-3-~~I~~ or R-4-~~A~~ Inclusionary) Zones development shall meet the following requirements.

\*\*\*

- J. ~~RET Zone Large Scale Planned Retail Overlay Zone.~~

1. ~~Per the Borough of Tinton Falls 2007 Master Plan, "The Rehabilitation/Planned Development overlay is intended to be an option within the area identified on the Land Use Plan map. The primary purpose of this land use category is to encourage the comprehensive replanning and development of the area north and south of Route 18. Currently, the area is a haphazard mix of heavy industrial uses, commercial and residential uses, which is intersected by Route 18, a rail line and Shafto Road. In order to use this option, a minimum of 100 acres would be required. A key component of this option is the relocation of the two heavy industrial uses (i.e. Marpal and the concrete plant) from their existing locations on the north side of Route 18 to an MFG zone (implemented as MFG2 in this Chapter) on the south side of Route 18. Principal permitted uses in this MFG area (implemented as MFG2 in this Chapter) would include asphalt and concrete plants and recycling facilities. The area identified as retail on the concept plan is proposed for large scale planned retail."~~
2. ~~Therefore, the RET — Large Scale Planned Retail Overlay Zone shall be in effect when both:~~
  - a. ~~The relocation or ceasing of operation and availability for development of the Marpal Waste Transfer Station (Block 113, Lots 1.01 & 2).~~
  - b. ~~The relocation or ceasing of operation and availability for development of the Clayton Concrete Manufacturing Plant (Block 109, Lots 9.01, 12.01, 13.01, 15, 18, 19, 20, 21, 22, 23, 24, & 29.02).~~
3. ~~Until such time as both conditions under paragraphs 2a and 2b above are complete, the zoning for the area described Block 113, Lots 1.01 & 2 and Block 109, Lots 9.01, 12.01, 13.01, 15, 18, 19, 20, 21, 22, 23, 24, & 29.02 shall remain IOP.~~
4. ~~Permitted Use in the RET — Large Scale Planned Retail Overlay Zone shall be regional shopping centers, subject to the bulk and design standards of this Chapter.~~

**SECTION 14.** Section 40-37 of the Borough Code, entitled "Conditional Uses," shall be amended and supplemented as indicated below:

**40-37 CONDITIONAL USES**

\*\*\*

**B. Requirements for Specific Uses**

\*\*\*

4. Townhouses, Duplexes or Other Plex Units. Townhouses, duplexes or other plex units, as defined in this Chapter, may be located, when approved as conditional uses, in the zone as specified in Schedule A subject to the following:  
Editor's Note: Schedule A is included as an attachment to this chapter.
  - a. No parking shall be permitted between the front building line and the street right- of-

- way.
- b. Parking must be provided on site as required by this Chapter.
- c. All yard areas shall be attractively landscaped with grass lawns, trees and shrubs or other vegetation or material as the Planning Board may approve or require.
- d. Compliance with all bulk requirements as indicated below:

| Use                                       | Minimum Lot Requirements                       |                                |                                | Minimum Yard Requirements |                                     |                    |         | Maximum Building Height |         | Maximum Density-Dwelling Units per Acre |                    |
|---|--|--------------------------------|--------------------------------|---------------------------|-------------------------------------|--------------------|---------|-------------------------|---------|---|--------------------|
|   | Lot Area                                       | Width                          |                                | Front                     | Side                                |                    | Rear    | Maximum Lot Coverage    | Stories |   | Feet               |
|   |  | Interior                       | Corner                         |                           | One                                 | Total              |         |                         |         |   |                    |
| Town-houses, duplexes or other plex units | <del>6,000</del><br>2,000 square feet per unit | <del>50</del> 20 feet per unit | <del>60</del> 30 feet per unit | 45 feet                   | 0 feet interior<br>20 feet exterior | <del>40</del> feet | 35 feet | 50%                     | 2.5     | 30 feet                                 | 6.5 units per acre |

- e. **A minimum setback of 25 feet between buildings is required.**

\*\*\*

22. Cannabis Facilities. Cannabis Class uses (other than Alternative Treatment Centers) shall be permitted as a conditional use if in compliance with the following conditions:

\*\*\*

- f. Bulk Requirements. All bulk requirements shall be in accordance with Section 40-28E, Schedule B, **with the exception of any bulk variances previously granted by the Planning Board or Zoning Board during prior site plan approval for the site.**

**SECTION 15.** Section 40-38.2 of the Borough Code, entitled “Small Wind and Small Solar Energy Systems,” shall be amended and supplemented as indicated below:

**40-38.2 SMALL WIND AND SMALL SOLAR ENERGY SYSTEMS**

\*\*\*

- C. Small Solar Energy Systems. (110% Production) will be created and shall state the following:
  - 1. Rooftop solar arrays for small solar energy systems are permitted as an accessory use in all zones subject to the following requirements.
    - a. Rooftop solar arrays shall not exceed a height of 12 inches from the existing roof surface of a peaked roof and not exceed a height of four feet from the existing roof surface of a flat roof.
    - b. In no event shall the placement of the solar energy system result in a total height **of the building plus panels and mounting equipment higher** than what is permitted in the zoning district which the subject energy system is located.

**SECTION 16.** Section 40-39 of the Borough Code, entitled “Off Street Parking and Loading,” shall be amended and supplemented as indicated below:

**40-39 OFF STREET PARKING AND LOADING**

A. Location of Parking and Loading Areas

\* \* \*

- 4. Other than driveways for detached single-family homes, ~~uses having parking lots for more than six (6) vehicles or having at least one (1) loading space shall have all aisles and spaces set back at least twenty five (25) feet~~ **all parking aisles and spaces shall be set back at least 20 feet** from any lot line and street right-of-way.
- 5. Drive-Up Window Services. Any use having drive-up window services shall provide at least one (1) by-pass lane **for the full length of the drive-thru lane** and each window shall have an access lane long enough to accommodate at least six (6) vehicles in addition to the vehicle at the window. These access lanes shall be separate from all interior driveways and aisles serving other on-site circulation and parking areas.
- 6. No loading area shall be located in a front yard.
- 7. There shall be no loading in a ~~yard abutting, or in,~~ a public right-of-way.

B. Minimum Required Off-Street Parking Schedule for Nonresidential Uses. The number of off-street parking spaces required for any nonresidential use shall be determined by reference to Parking Schedule 1 below. “GFA” shall mean “gross floor area.”

\* \* \*

- 3. Fractional Spaces. Whenever the application of Parking Schedule 1 standards results in the requirements of a ~~major fraction of a space in excess of one-half (0.5),~~ a full space shall be required.

**Parking Schedule 1**

**Parking Requirements for Nonresidential Uses**

| <b>Use</b>                                 | <b>Minimum Number of<br/>Off-Street Parking Spaces</b>   |
|--|--|
| Automobile Car Wash                        | <del>10 spaces/washing lane and 2 spaces/vacuum or similar machine</del> <b><u>2 spaces per service lane, plus one space per employee at maximum shift</u></b> |
| Automobile Fueling Stations                | 1 space/fueling pump   |
| Any Associated Retail                      | 4 spaces/1,000 sq. ft. GFA   |
| Automobile Oil Change and Lubrication Shop | 8 spaces/service lane and 2 spaces/vacuum or similar machine   |
| Automobile Repair Shop                     | 4 spaces/service bay   |

|   |  |
|---|--|
| Assisted Living Residence               | 0.5 space/unit   |
| Banks and Fiduciary Institutions        | 1 space/250 sq. ft. GFA  |
| Bowling Alley                           | 2 spaces/lane or alley   |
| Car and Truck Dealers                   | 1 space/300 sq. ft. showroom area, sales area and office area  |
| Child Care Center                       | As specified in Section 40-35A   |
| Church                                  | 1 space/5 seats  |
| Community Center                        | 1 space/800 sq. ft. GFA  |
| Communication/Radio Tower               | 2 spaces minimum   |
| Continuing Care Retirement Community    | 0.9 space per independent living unit to be distributed to meet the particular needs of individual buildings on-site |
| Contractors/Landscaping Yards           | 1 space/300 sq. ft. display area, sales area and office area   |
| Delicatessens/Specialty Food            | 1 space/1,000 sq. ft. GFA  |
| Family Day Care Home                    | 2 for the dwelling unit + 2 for clients  |
| Farm Stand                              | 3 spaces minimum   |
| Fitness Centers, Weight Rooms, Gyms     | 1 space/200 sq. ft. GFA  |
| Flex Space Buildings                    | 1 space/800 sq. ft. GFA  |
| Golf Course                             |  |
| full-size                               | 3 spaces/green   |

**SECTION 18.** Repealer.

All ordinances or parts of ordinances which are inconsistent with the provisions of this Ordinance are, to the extent of such inconsistency, hereby repealed.

**SECTION 19.** Severability.

Should any section, clause, sentence, phrase or provision of this Ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, such decision shall not affect the remaining portions of this Ordinance.

**SECTION 20.** Effective Date.

This Ordinance shall take effect upon final passage, adoption and publication in the manner prescribed by law.

Introduced: November 12, 2024.
