SUBJECT: Nominations of Appraisal District Board Members

In 2025, your taxing unit has the right to participate in the nominating and voting process to appoint two members to the Board of Directors of the Harris Central Appraisal District ("HCAD"). Eligible conservation and reclamation districts in Harris County will also participate in the election. These directors will serve four-year terms beginning January 1, 2026. This letter serves as formal notice of:

- Your right to nominate a candidate or candidates for a position on the Board, and the process for doing so; and
- Your voting entitlement, as determined by Section 6.03(d) of the Texas Property Tax Code.

We have described the process for nominating a candidate or candidates in **Exhibit "A,"** which is attached. You'll also find a description of the voting process to elect two new board members in that Exhibit. Completing these steps will require your board to meet two times before the end of the year.

Your board will need to meet and complete this first step for nominating a candidate or candidates so that you can deliver your nomination(s) and resolution to the chief appraiser no later than 5 PM, October 14, 2025.

Nominations and resolutions may be submitted:

NOMINATING AND VOTING PROCESS FOR ALL TAXING UNITS OTHER THAN CONSERVATION AND RECLAMATION DISTRICTS

Entitlement to Vote

In general, the voting entitlement of the eligible taxing units is determined by dividing the total dollar amount of property taxes imposed by the taxing unit in the preceding tax year by the sum of the total dollar amount of property taxes imposed in the appraisal district for that year by each taxing unit entitled to vote, multiplying the quotient by 1,000, and by rounding the product to the nearest whole number. Tex. Tax Code Section 6.03(d).

That number is then multiplied by the number of directorships to be filled. Taxing units whose final levy ratio calculates to .49 or under were rounded to the nearest whole number, which is zero. Accordingly, some taxing units have zero votes. To view your taxing unit's entitlement to vote in the appointment process, please see Exhibit "B" attached.

Nomination Procedures

All taxing units, other than conservation and reclamation districts, may nominate up to two candidates to be placed on the ballot that will be sent to, and voted upon by eligible taxing units that are entitled to vote.

The presiding officer of a taxing unit's governing body must submit the name(s) and the corresponding nominating resolution to the chief appraiser **before October 15, 2025**.

Voting Procedures

Before October 30, 2025, the chief appraiser will prepare a final voting ballot alphabetically listing by surname all nominees that were submitted timely and send that ballot to the presiding officer of the governing body of each taxing unit that is entitled to vote.

Prior to **December 15, 2025**, the governing body of each taxing unit entitled to vote shall determine its vote by resolution and submit it to the chief appraiser. Pursuant to Tax Code Section 6.03(c), a governing body of a taxing unit may cast its votes for one candidate or distribute them among the candidates.

The two candidates receiving the most votes will be appointed to the board of directors for a four-year term beginning January 1, 2026.

The chief appraiser will count the votes and will then notify the winners, the nominees, and the presiding officers of each taxing unit before December 31, 2025.

Additional and specific information pertaining to this voting process and the final voting ballot will be sent to you with the list of nominees on the final ballot before **October 30, 2025**.

Eligibility Requirements

The appraisal district appraises all property in the county for ad valorem tax purposes. The board of directors is the governing body for the district. The board employs the chief appraiser, sets general policies for the district, and adopts the budget for the district. By law, board members cannot communicate with the chief appraiser regarding appraisals, except in: (1) an open meeting of the appraisal district board of directors or another public forum; or (2) a closed meeting of the board of directors held to consult with the board's attorney about pending litigation, in accordance with Tax Code Section 6.15.

There is no compensation for service on the appraisal district's board of directors; however, directors are reimbursed for actual and necessary expenses incurred in the performance of their duties as provided by the budget adopted by the board. HCAD's Board of Directors typically meets once a month.

An individual must satisfy certain residency, employment, and conflict-of-interest requirements to be eligible to serve on the appraisal district's board of directors.

Residency. *The individual must be a resident of the district and must have resided in the district for at least two years immediately preceding the date he or she takes office. The appraisal district's boundaries are the same as those for Harris County.*

Employment. An employee of a taxing unit served by the appraisal district may not serve on the board of directors, with one exception: an employee of a taxing unit may serve if the employee is also a member of the governing body or an elected official of a taxing unit that participates in the district. For example, a member of the governing body of a school district who is also a city employee may be *eligible* to serve on the board.

An individual is *ineligible* to serve on an appraisal district's board of directors if the individual has engaged in the business of appraising property for compensation for use in proceedings under the Texas Property Tax Code or of representing property owners for compensation in proceedings under the Tax Code in the appraisal district at any time during the preceding three years.

Conflict of Interest. An individual may not serve on an appraisal district's board of directors if the individual is related, within the second degree by consanguinity (blood) or affinity (marriage), to a person who is in the business of appraising property or representing property owners for a fee in proceedings in the appraisal district; those relatives barred include: the individual's spouse, children, brothers, sisters, parents, grandparents, and grandchildren. The relatives of the individual's spouse in the same degree are also included.

An individual is not eligible to be a candidate for, to be appointed to, or to serve on the board of directors of, an appraisal district if the individual contracts with the appraisal district for any purpose or contracts with a taxing unit served by the district for a property tax-related purpose. The same rule applies to individuals who have a substantial interest in businesses contracting with the appraisal district (for any purpose) or with the taxing unit (for property tax purposes). An individual has a substantial interest if the individual or the individual's spouse has combined ownership of at least ten percent (10%) of the voting stock or shares of the business. An individual also has a substantial interest if the individual or the individual's spouse is a partner, limited partner, or an officer of the business. These prohibitions on contracting continue for the duration of the affected director's term of office.

Additionally, the appraisal district may not employ any person who is related to a member of the board of directors within the second degree by affinity or the third degree of consanguinity. This provision applies to existing employees at the time the director takes office and to employees hired during the director's term.

Delinquent taxes. With limited exceptions, Texas law makes a person ineligible to serve as a member of the board of directors if he or she has delinquent property taxes owed to any taxing unit for more than 60 days after the person knew or should have known of the delinquency.
