The District contains approximately 90.54 acres, which at the time of the initial assessment levy will be within the corporate limits of the City, as described legally by metes and bounds on **Exhibit K-1** and as depicted by the map on **Exhibit A-1**.

SECTION V: ASSESSMENT PLAN

The PID Act allows the City Council to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the City Council may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the City and the area to

be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this 2024 Amended and Restated Service and Assessment Plan describes the special benefit received by each Parcel within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit equals or exceeds the amount of the Assessments to be levied on the Assessed Property for such Authorized Improvements.

Improvement Area #2 Assessments will be levied on the Improvement Area #2 Initial Parcel according to the Improvement Area #2 Assessment Roll, attached hereto as **Exhibit G-1**. The projected Improvement Area #2 Annual Installments are shown on **Exhibit G-2**, subject to revisions made during any Annual Service Plan Update.

When, and if, Future Improvement Areas are developed and the levy of Assessments on Future Improvement Areas is contemplated, this 2024 Amended and Restated Service and Assessment Plan will be amended to determine the Assessment and Annual Installment associated with the costs of Future Improvement Area Improvements on each Lot located within a Future Improvement Area. The Assessment shall not exceed the benefit received by the Assessed Property.

C. Findings of Special Benefit

The City Council, acting in its legislative capacity based on information provided by the Developer and its engineer and reviewed by the City staff and by third-party consultants retained by City, has found and determined:

- *Improvement Area #1*
 - The total costs of the Improvement Area #1 Projects equal \$6,393,667 as shown on **Exhibit B-1**; and
 - The Improvement Area #1 Assessed Property receives special benefit from Improvement Area #1 Projects equal to or greater than the Actual Costs of the Improvement Area #1 Projects; and
 - The Improvement Area #1 Assessed Property was allocated 100% of the Improvement Area #1 Assessments levied for the Improvement Area #1 Projects, which was equal to \$4,406,000 as shown on the Improvement Area #1 Assessment Roll, attached as **Exhibit F-1**; and
 - The special benefit (\geq \$6,393,667) received by the Improvement Area #1 Assessed Property from Improvement Area #1 Projects is greater than the amount of the Improvement Area #1 Assessments (\$4,406,000) levied on the Improvement Area #1 Assessed Property.
 - At the time the City Council approved the Assessment Ordinance levying the Improvement Area #1 Assessments, the property owners within Improvement Area #1 acknowledged that Improvement Area #1 Projects, confer a special benefit on the Improvement Area #1 Assessed Property and consented to the imposition of the Improvement Area #1 Assessments to pay for Actual Costs associated therewith. The property owners within Improvement Area #1 ratified, confirmed, accepted, agreed to, and approved (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance, (2) the 2022 Service and Assessment Plan and the applicable Assessment Ordinance, and (3) the levying of the Improvement Area #1 Assessments on the Improvement Area #1 Assessed Property.

- *Improvement Area #2*
 - The total costs of the Improvement Area #2 Projects equal \$5,465,056 as shown on **Exhibit B-1**; and
 - The Improvement Area #2 Assessed Property receives special benefit from Improvement Area #2 Projects equal to or greater than the Actual Costs of the Improvement Area #2 Projects; and
 - The Improvement Area #2 Assessed Property was allocated 100% of the Improvement Area #2 Assessments levied for the Improvement Area #2 Projects, which equal \$2,935,000 as shown on the Improvement Area #2 Assessment Roll, attached as **Exhibit G-1**; and
 - The special benefit (\geq \$5,465,056) received by the Improvement Area #2 Assessed Property from Improvement Area #2 Projects is greater than the amount of the Improvement Area #2 Assessments (\$2,935,000) levied on the Improvement Area #2 Assessed Property.
 - At the time the City Council approved the Assessment Ordinance levying the Improvement Area #2 Assessments, the property owners within Improvement Area #2 acknowledged that Improvement Area #2 Projects, confer a special benefit on the Improvement Area #2 Assessed Property and consented to the imposition of the Improvement Area #2 Assessments to pay for Actual Costs associated therewith. The property owners within Improvement Area #2 ratified, confirmed, accepted, agreed to, and approved (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance, (2) the Service and Assessment Plan and the Assessment Ordinance, and (3) the levying of the Improvement Area #2 Assessments on the Improvement Area #2 Assessed Property.

D. Annual Collection Costs

The Annual Collection Costs shall be paid for on a pro rata basis by each Assessed Property based on the amount of outstanding Assessments remaining on the Assessed Property. The Annual Collection Costs shall be collected as part of Annual Installments in the amounts shown on **Exhibit F-2**, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

E. Additional Interest

The interest rate on Assessments securing PID Bonds may exceed the interest rate on the PID Bonds by the Additional Interest Rate. Interest at the rate of the PID Bonds and the Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments

1. *Upon Division Prior to Recording of Subdivision Plat*

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all the newly divided Assessed Properties

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

2. *Upon Subdivision by a Recorded Subdivision Plat*

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Parcel according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with the same Lot Type

D = the sum of the Estimated Buildout Value for all the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with the same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat.

The sum of the Assessments for all newly subdivided Parcels shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Assessed Properties are consolidated, the Administrator shall allocate the Assessments against the Assessed Properties before the consolidation to the consolidated Assessed Property, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

The Assessment for any resulting Lot will not exceed the Maximum Assessment, shown on **Exhibit E** for the applicable Lot Type, and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.B.**

B. True-up of Assessments if Maximum Assessment Exceeded

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the Owner must partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the Developer to pay such Assessments.

C. Mandatory Prepayment of Assessments

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the Owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the Owner of the Assessed Property causes the Assessed Property to become Non-Benefited Property, the Owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

D. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments, (i) in the event PID Bonds are not issued, the Assessments and the Reimbursement Obligation shall be reduced on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs, or (ii) in the event that PID Bonds have been issued, the City shall direct the Trustee to apply amounts on deposit in the applicable account of the project fund, relating to the applicable series of PID Bonds, that are not expected to be used for purposes of the project fund, to redeem outstanding PID Bonds, or as otherwise directed, in accordance with the applicable Indenture.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The Owner of the Assessed Property may pay, at any time, all or any portion of an Assessment in accordance with the PID Act. Prepayment Costs, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed, or the Annual Service Plan Update has been approved by the City Council prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment on an Assessed Property is prepaid in full, with Prepayment Costs, (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the Owner with a recordable "Notice of PID Assessment Termination," a form of which is attached hereto as **Exhibit I**.

If an Assessment on an Assessed Property is prepaid in part, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced on said Assessed Property and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment will be reduced to the extent of the Prepayment made.

F. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit F-2** shows the estimated Annual Installments for Improvement Area #1 and **Exhibit G-2** shows the

estimated Annual Installments for Improvement Area #2. Annual Installments are subject to adjustment in each Annual Service Plan Update.

Prior to the recording of a final subdivision plat, if any Parcel shown on the Assessment Roll is assigned multiple tax parcel identification numbers for billing and collection purposes, the Annual Installment shall be allocated pro rata based on the acreage of the property not including any Non-Benefitted Property or non-assessed property, as shown by Harris Central Appraisal District for each tax parcel identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. The Annual Collection Costs for a given Assessment shall be paid by the Owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. Annual Installments shall be reduced by any credits applied under an applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes due and owing to the City. To the extent permitted by the PID Act or other applicable law, the City Council may provide for other means of collecting Annual Installments, but in no case shall the City take any action, or fail to take any action, that would cause it to be in default under any Indenture.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay any of the remaining unpaid Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with applicable law, including the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments of Improvement Area #2 Assessments shall be due when billed and shall be delinquent if not paid prior to February 1, 2025.

G. Prepayment as a result of Eminent Domain Proceeding or Taking

Subject to applicable law, If any portion of any Parcel of Assessed Property is taken from an Owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a “Taking”), the portion of the Assessed Property that was taken or transferred (the “Taken Property”) shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property) (the “Remaining Property”) following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The Owner of the Remaining Property will remain liable to pay in Annual Installments, or payable as otherwise provided by this 2024 Amended and Restated Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if that remains due on the Remaining Property exceeds the applicable Maximum Assessment, the Owner of the Remaining Property will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Assessment applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the Assessment on the Remaining Property.

In all instances the Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

By way of illustration, if an Owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres constituting the Remaining Property shall be subject to the \$100 Assessment, (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment, as applicable, on the Remaining Property by \$10, then the Owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to \$90.

Notwithstanding the previous paragraphs in this subsection if the Owner of the Remaining Property notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the Owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the applicable Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. The Owner will remain liable to pay the Assessment on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection, the Assessments shall never be reduced to an amount less than the amount required to pay all outstanding debt service requirements on all outstanding PID Bonds.

SECTION VII: ASSESSMENT ROLL

The Improvement Area #1 Assessment Roll is attached as **Exhibit F-1**. The Administrator shall prepare and submit to the City Council for review and approval proposed revisions to the Improvement Area #1 Assessment Roll and Improvement Area #1 Annual Installments for each Parcel as part of each Annual Service Plan Update. Improvement Area #1 began collecting Annual Installments in 2022 (delinquent if not paid by January 31, 2023).

The Improvement Area #2 Assessment Roll is attached as **Exhibit G-1**. The Administrator shall prepare and submit to the City Council for review and approval proposed revisions to the Improvement Area #2 Assessment Roll and Improvement Area #2 Annual Installments for each Parcel as part of each Annual Service Plan Update. Improvement Area #2 will begin collecting Annual Installments in 2024 (delinquent if not paid by January 31, 2025).

As Future Improvement Areas are developed, this 2024 Amended and Restated Service and Assessment Plan will be amended to determine the Assessment for each Lot located within such Future Improvement Areas.

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

If the Owner of a Parcel claims that an error has been made in any calculation required by this Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the Owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council's approval of the calculation. Otherwise, the Owner shall be deemed to have unconditionally

approved and accepted the calculation. The Administrator shall provide a written response to the City Council and the Owner not later than 30 days after receipt of such a written notice or error by the Administrator. The City Council shall consider the Owner’s notice of error and the Administrator’s response at a public meeting, and, not later than 30 days after closing such meeting, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council shall take such corrective action as is authorized by the PID Act, this 2024 Amended and Restated Service and Assessment Plan, the applicable Assessment Ordinance, the applicable Indenture, or as otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the Owner and the Administrator.

B. Amendments

Amendments to this Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this Service and Assessment Plan may be amended without notice to Owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this Service and Assessment Plan; (2) administer the PID for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this Service and Assessment Plan. Interpretations of this Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners adversely affected by the interpretation. Appeals shall be decided at a meeting of the City Council at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and their successors and assigns.

D. Form of Buyer Disclosure; Filing in Real Property Records

Per Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto as **Appendix B**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed Ordinance of this Service and Assessment Plan, or any future Annual Service Plan Updates shall be filed and recorded in their entirety.

E. Severability

If any provision of this Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.
