

Rezoning Staff Report

Planning & Zoning Commission Public Hearing Date: July 13, 2026
City Council Public Hearing Date: July 20, 2026

Rezoning Case: Z26-07

Property Owner(s): Lessing Property Holdings LLC

Applicant(s): AD Solutions

Legal Description: Request by Lessing Property Holdings LLC to consider a zone change from Agricultural (AG) to General Retail (GR) on Tract 5 of Block 3, one tract containing approximately 0.07 acres of land, situated in the Hirschfield Farms Sec.1 Unrecorded Plat

Location: North of the northeast intersection of State Highway 249 and Hirschfield Road (13918 Hirschfield Road) (Exhibit “A”)

Area: 0.07 acres

Comp Plan Designation: Corridor Commercial (Exhibit “B”)

Present Zoning: Agricultural (AG) District (Exhibit “C”)

Request: Rezone from the Agricultural (AG) District to the General Retail (GR) District

Adjacent Zoning & Land Uses:

	Zoning	Land Use
North	PD-5	RMS Breaux Machine Works
South	General Retail (GR)	Spas Unlimited
East	General Retail (GR)	Spas Unlimited
West	Tomball ETJ	State Highway 249

BACKGROUND

The subject property has been within the City of Tomball’s AG zoning district since the adoption of zoning in February 2008. The applicant’s request aims to unify the owner’s entire property within one zoning district and allow for the development of additional parking and building space.

ANALYSIS

Comprehensive Plan Analysis: The property is designated as “Corridor Commercial” by the Comprehensive Plan’s Future Land Use Map. The Corridor Commercial designation is intended for nonresidential uses along high-traffic thoroughfares. Appropriate land uses include but are not limited to retail, hotels, restaurants, personal services, and offices. Development within the Corridor Commercial designation should have primary access to an arterial street and provide mobility enhancements for pedestrians.

Staff Review Comments: The General Retail (GR) zoning district is designed to accommodate nonresidential uses along high-traffic areas, intersections of major collector streets, and along regionally serving thoroughfares. Land uses found within the GR district should facilitate opportunities for local neighborhood shopping, create facilities for the retail sales of goods and services, and help create a network of supportive services for the surrounding community. The request to rezone the subject property to General Retail would be in conformance with the Future Land Use Plan. Additionally, the subject property has proposed access onto the SH 249 frontage road which is designed to accommodate traffic associated with developments within the General Retail district. The applicant is requesting the zone change to bring the entire property under the same zoning designation.

PUBLIC COMMENT

A Notice of Public Hearing was published in the paper and property owners within 300 feet of the project site were mailed notification of this proposal on June 22, 2026. Any public comment forms will be provided in the Planning & Zoning Commission and City Council packets or during the public hearing.

**Re: Spas Unlimited
13918 Hirschfield Road
Tomball, Texas 77377**

To Whom It May Concern,

On behalf of my client, Spas Unlimited, we would like to formally request a rezoning of property recently purchased by Lessing Property Holdings, LLC. The reason for this requested rezoning is that currently, the lot is Zoned as AG, agricultural use and the owner would like to use it for commercial use under the GR general retail zoning district.

The lot in question is known as Lot Five (5), Block Three (3), of Hirschfield Farms, Section One (1), an unrecorded subdivision which is a portion of a 112 acre tract of land in the John M. Hooper Survey, Abstract 375, in Harris County, Texas, and being a part of that certain 112 acres, more or less, as described in Deed to Warren Pennington, et al, recorded in Volume 7080, page 229, of the Deed Records of Harris County, Texas, said Lot Five (5), Block Three (3), being fully described in the metes and bounds therein.

Currently, the land is in the replatting process with Harris County and we expect it to be completed shortly. With that in mind, and after meeting with the City of Tomball in a Pre-Development Meeting, we would like to pursue this rezoning process as soon as possible.

Please contact my office or the Project Manager, AD Solutions, if you have any further questions.

Respectfully,
Steve Peña
President
