

City Council Meeting Agenda Item Data Sheet

Meeting Date: July 1, 2024

Topic:

Consider an application for an Indoor Special Events Fireworks Display by Roar Over Texas to occur on July 14th 2024 at Boxwood Manor located at 945 E Hufsmith Road.

Background:

As per the Administrative Handbook Roar Over Texas Fireworks has submitted an application for a private indoor fireworks display to be conducted at a wedding on July 14th at Boxwood Manor. Furthermore, Council must approve the application of any private fireworks display conducted within the City Limits.

The use of cold spark technology in pyrotechnic devices has become a popular entertainment effect that's used in various types of public events and gatherings, including weddings. All spark producing devices utilize powdered titanium or zirconium as the chemical which produces the sparkler visual effect. A common misunderstanding is that the sparks are cold. While the heat released from cold sparks is a lower temperature than standard sparklers, the heat generated from cold sparks is still capable of igniting nearby materials.

Due to the inherent risks of these devices being utilized within a structure with a large gathering of people the Fire Department does not recommend approval.
