

Summary of Proposed Changes – Administrative Policy No. 26

Plant Life

- Updated “shrub” to “shrubs”

Fires, Smoking

- Removed propane barbeque pits and replaced with charcoal barbeque pits.

Glass Beverage Containers

- Added language to include prohibiting glass containers from all City parks.

Special Conditions/Restrictions Pertaining to the Use and Consumption of Alcoholic Beverages

- Updated section to include authorization of City Council for a Special Event for consumption of alcoholic beverages in the park.

Reservations

- Added Park Reservation Maintenance Fee, both options currently included pending Council direction.

Special Provisions

- General:
 - Updated language to expand list of prohibit items that create litter in the park including water balloons and colored powder.
 - Added language that candy filled pinatas are allowed with a pavilion reservation and self-provided stand with pinatas being prohibited from being secured to park structures or trees.
- Railroad Depot Gazebo:
 - Updated name to reflect gazebo only, as that is the only facilities that may be rented.
- Juergens Park:
 - Clarified that reservations apply to the pavilion only.
 - Specified that vehicles may not remain parked inside the park during a reservation.
- Jerry Matheson Park:
 - Clarified that reservations apply to the pavilion only.
 - Added requirement for reservations including pool use to contact the Pool Manager in advance to confirm availability.

Enforcement

- Added language to specify Parks Superintendent.

Effective Date

- Revised section to remove the adopted and repeal date and clarify that the rules become effective upon City Council approval.
