Background:

2S&Z Investments LLC, a property owner within the City of Tomball's extraterritorial jurisdiction (ETJ) has formally submitted a request for voluntary annexation into the city limits. The application includes a signed annexation request form, a notarized affidavit affirming ownership and authority to initiate the process, and a detailed legal description of the property, including survey references and total acreage. The accompanying exhibit map outlines the parcel's boundaries and its relationship to adjacent properties and existing city infrastructure.

The applicant's stated intent is to bring the property under Tomball's municipal governance to access city services, align with development standards, and participate in long-term planning efforts. The annexation would allow the property to benefit from municipal utilities, public safety coverage, and zoning protections, while also contributing to the city's strategic growth objectives. The applicant's anticipated development is for office and commercial use with a proposed 15,000 square foot (sqft) masonry and steel structure at \$100/sqft with a total estimated value of \$1,500,000.
