Sec. 1-14. - General penalty for violations of Code; continuing violations.

(a) Whenever in this Code or any other ordinance of the city, an act is prohibited or is made or declared to be unlawful or an offense or a misdemeanor, or wherever in such Code or ordinance the doing of an act is required or the failure to do any act is declared to be unlawful, and no specific penalty is provided therefor, the violation of any such provision of this Code or any such ordinance shall be punished by a fine not exceeding \$500.00, except for:

(1) Violations of municipal ordinances that govern fire, safety, zoning, public health and sanitation, including dumping of refuse, vegetation and litter violations in which the maximum fine shall be \$2,000.00 for each offense; and

(2) Violations of traffic laws which are punishable as a Class C misdemeanor shall be punished by a fine not to exceed \$200.00.

However, no penalty shall be greater or less than the penalty provided for the same or similar offense under the laws of the state.

(b) Each day any violation of this Code or of any ordinance shall continue shall constitute a separate offense. Any violation of any provision of this Code which constitutes an immediate danger to the health, safety, and welfare of the public may be enjoined in a suit brought by the village for such purposes. If any violation of this Code is designated as a nuisance under the provisions of this Code, such nuisance may be summarily abated by the city in addition to the imposition of a fine or imprisonment.

(c) Unless otherwise specifically stated within the provisions of this Code, any violation of this Code or of any ordinance set forth herein that is punishable by a fine that does not exceed \$500.00 does not require a culpable mental state, and a culpable mental state is hereby not required to prove any such offense.

(d) Unless otherwise specifically stated within the provisions of this Code, any violation of this Code or of any ordinance set forth herein that is punishable by a fine that exceeds \$500.00 shall require a culpable mental state of intentionally, knowingly, recklessly or with criminal negligence engaging in conduct constituting the violation.

(e) In any prosecution in the municipal court of the city or of any other court of competent jurisdiction, a complaint charging a violation of this Code need not negate the existence of any affirmative defense but the existence of such may be raised by the defendant in any such prosecution by way of defense as provided in the Texas Penal Code.

(f) A complaint charging a violation of any provision of this Code in the municipal court of the city or any other court of competent jurisdiction need not negative the existence of any exception but the existence of the same may be raised by the defendant in such prosecution by way of defense.

(g) The imposition of a penalty under the provisions of this Code shall not prevent the revocation or suspension of any license, franchise or permit issued or granted under the provisions of this Code.

(h) The city council shall have the power to remit, in whole or in part and upon such conditions as may be deemed proper, by vote of two-thirds of the members present, any fine or penalty belonging to the city which may be imposed or incurred under any provision of this Code, ordinance or resolution adopted by the council or under the Penal Code of the state.
