

City Council Meeting

Agenda Item

Data Sheet

Meeting Date: September 5, 2023

Topic:

Approve an agreement with Hayden Paving, Inc. for the restriping of Medical Complex Drive (BuyBoard Contact No. 700-23), for a not-to-exceed amount of \$49,798, authorize the expenditure of funds therefor, and authorize the City Manager any and all documents related to the expenditure. This amount is included in the FY 2022-2023 budget.

Background:

The current striping of Medical Complex Drive, from Cherry Street to Business 249, is thermoplastic paint and was installed during the construction of each segment. City staff does not have the ability to make repairs to thermoplastic paint and therefore we are proposing to contract with Hayden Paving, Inc. to remove the current thermoplastic striping and replace with traffic marking paint. By removing the thermoplastic paint and repainting using traffic marking paint, City staff will be able to maintain the striping more effectively to ensure visibility.

The proposed agreement with Hayden Paving, Inc. will include the restriping of Medical Complex Drive from Cherry Street to Business 249, and will include the restriping of the streets, curbs, stop bars, and crosswalks for a not-to-exceed amount of \$49,798.

Origination: Project Management

Recommendation: Staff recommends approving an agreement with Hayden Paving, Inc. for the restriping of Medical Complex Drive for a not-to-exceed amount of \$49,798.
