

City Council Meeting

Agenda Item

Data Sheet

Meeting Date: November 7, 2022

Topic:

Consideration to approve a Professional Services Agreement with Freese & Nichols, Inc. for Project Number 2019-10008, FM 2920 Lift Station Improvements for the City of Tomball, for the not-to-exceed amount of \$2,206,200, approve the expenditure of funds therefor, and authorize the City Manager to execute the agreement. This project was included in the FY 2022-2023 budget.

Background:

The FM 2920 lift station project is part of the City's effort to expand capacity of the wastewater collection system on the southwest side of the City. The existing FM 2920 lift station does not have the capacity for future development needs and therefore, alternatives to expand the lift station and force main will need to be evaluated against the possibility of consolidating the lift station and flowing by gravity exclusively.

The proposed professional services agreement with Freese & Nichols, Inc. (FNI) includes a scope of work to complete a route study and evaluate the two proposed options for the wastewater collection system, design the project based on the best option, and oversee construction, for a not-to-exceed amount of \$2,206,200.

Funds for completing the proposed project were allocated in the Fiscal Year 2022-2023 budget, as part of the Certificate of Obligation issuance.

Origination: Project Management

Recommendation:

Staff recommends awarding a Professional Services Agreement to Freese & Nichols, Inc. for the FM 2920 Lift Station Improvements for a total amount not to exceed \$2,206,200.

Party(ies) responsible for placing this item on agenda: Meagan Mageo, Project Manager
