Sprint Waste was selected in 2024 through a competitive sealed bid process (Bid No. 2024-06), which allowed for interested parties to submit sealed bids for sludge hauling and disposal including mobile belt press and 30-year roll off, and two bids were received.

The proposed services agreement renewal with Sprint Waste is for fiscal year 2025, beginning February 6, 2025 and expiring February 5, 2026. The original services agreement with Sprint Waste was for a one-year term, with five additional one-year renewals. The total annual agreement amount for services will be for a not-to-exceed amount of \$145,000. The services agreement allows for a Consumer Price Index (CPI) increase annually at the time of renewal, Sprint Waste is requesting an increase for the sludge box haul only of three percent (3%), and as of November 30, 2024, the CPI for Houston was 4.4% for services according to the U.S. Bureau of Labor Statistics.
