

City Council Meeting

Agenda Item

Data Sheet

Meeting Date: February 3, 2025

Topic:

Approve a Professional Services Agreement with Freese & Nichols, Inc. for construction phase services for the South Wastewater Treatment Plant Expansion, Project Number 2023-10003, for a not-to-exceed amount of \$4,764,500, approve the expenditure of funds therefor, and authorize the City Manager to execute any and all documents related to the purchase. This expenditure is included in the Fiscal Year 2024-2025 Capital Improvement Project Budget.

Background:

In FY 2022-2023, City Council approved a professional services agreement with Freese & Nichols, Inc. to complete the preliminary design of the South Wastewater Treatment Plant (SWWTP) expansion. Staff worked with Freese to determine the best options and equipment to be utilized for the expansion. Following the completion of the preliminary design, staff work with Freese to develop the scope of work for the final design phase, include bid preparation and working with the construction-manager-at-risk (CMAR).

On December 18, 2023 City Council approved a professional services agreement with Freese & Nichols, Inc. to complete the final design of the SWWTP expansion in conjunction with the selected CMAR. The design for the project is currently nearing 90% completion but following the award of the Guaranteed Maximum Price Package 1 (Early Works Package), construction oversight will be required for review of submittals for equipment purchase and Request for Information (RFIs).

This item authorizes a professional services agreement with Freese & Nichols, Inc. to provide construction management and commissioning of the treatment plant following construction for a not-to-exceed amount of \$4,764,500. Funds for completing this phase of the project were allocated in the Fiscal Year 2024-2025 budget, as part of the Certificate of Obligation issuance that was approved at the December 4, 2023 City Council meeting.
