Please explain your reasons for wishing to serve on this committee and how you feel that you may contribute:

I love Tomball. I would love to see it continue to grow in its ability to serve its residents and the surrounding community, and also to become an arts destination. But I realize that growth comes with growing pains, and I feel that I am sensitive to the needs and concerns of other people. I have a broad level of experience in visual and performing arts, and my experience with handicapped individuals gives me an eye toward accessibility. I have worked with all ages of adults and children, so in designing a space I understand the needs of a broad spectrum of individuals.
