

Planning and Zoning Commission

Agenda Item

Data Sheet

Meeting Date: November 13, 2023

Topic:

Conduct a Public Hearing and Consideration to Approve **Zoning Case Z23-17**: Request by Daniel Rodano, represented by Sendero Ventures LLC., to amend Chapter 50 (Zoning) of the Tomball Code of Ordinances, by rezoning approximately 1.06 acres of land legally described as being a portion of the John Smith Survey, Abstract No. 730 from Single Family Estate Residential – 20 (SF-20-E) to Commercial (C). The property is generally located within the 1100 block (north side) of E. Hufsmith Road, within the City of Tomball, Harris County, Texas.

Background:

The subject property has been within the City Limits of Tomball since at least 1909. The property is a portion of a greater parcel of land which is approximately 14 acres and is presently occupied by a single-family residence. The property is split zoned into two zoning designations, the southernmost approximately 7.3 acres is within Commercial (C) zoning. The northernmost 1.80 acres of this commercial portion of the property was rezoned from Single Family Estate – 20 (SF-20-E) to Commercial (C) in 2020. The remaining 7 acres of the overall property is within Single Family Estate Residential -20 (SF-20-E) zoning. The subject property is 1.057 acres of the SF-20-E portion of the property. In August of 2023 city staff met with the applicants to discuss the development of an office/warehouse facility at this location. It was discussed that the current landowner is wanting to sell approximately 8.1 acres of the overall property, which comprises most of that portion which is within the C zoning district as well as the property which is the subject of this zone change request; being approximately 1.057 acres of land within the SF-20-E zoning. During our meeting with the applicants, city staff were informed that this northernmost 1.057 acres would be utilized for the development's onsite stormwater detention. The applicants were notified that this portion of the property could not be utilized for commercial purposes, nor could it be used for the drainage facility (i.e. detention pond) for the commercial development without first being rezoned to Commercial.

Origination: Daniel Rodano, represented by Sendero Ventures LLC.
