Topic:

Discussion regarding amending OR 2023-04, CUP to allow food trucks at the open-air market located at 401-409 Commerce Street

Background:

In 2023, Council approved a conditional use permit (CUP) for open-air market located at 401-409 Commerce Street (OR No. 2023-04). The open-air market has been operated since being approved and now the owner and operator would like to explore the possibility of revisiting allowing food trucks during the operating hours of the market. When the open-air market was approved, food trucks were specifically denied (OR No. 2023-05). The food truck proposal in 2023 included 4 food trucks.

Ideaco Investments would like to receive input regarding allowing food trucks including any restrictions suggested before moving forward with the process of amending the CUP.
