The Harris County Multi-Jurisdictional Hazard Mitigation Plan that was recently updated so the necessary actions can be taken to adopt the plan. Each jurisdiction participating in the plan must formally adopt it in order to maintain eligibility for funding under Federal Emergency Management Agency (FEMA) hazard mitigation grant programs.

Hazard mitigation is the use of long-term and short-term policies, programs, projects, and other activities to minimize the loss of life, injury, and property damage that can result from a disaster.
