RE: CONDITIONAL APPROVAL – Business Improvement Grant MEGA – Building A

Dear Mark:

Thank you for your recent application to the Business Improvement Grant program. We are pleased to inform you that your application for the proposed improvements at **27210 Hwy 249 (Bldg A), Tomball, Texas 77375**, has received **conditional approval** from the Business Retention & Expansion (BR&E) Review Committee as of **May 26, 2026**. This conditional approval is based on the preliminary review of your application materials, including your project description, cost estimates, and proposed design concept.

Conditional Approval

This letter serves as formal notice of conditional approval of the application, as submitted, based on the preliminary review conducted by the Tomball Economic Development Corporation's (BR&E) Review Committee. While we are encouraged by your project's potential, please carefully review the following critical conditions:

1. Final Approval Pending

This conditional approval does not constitute a commitment of funds or a final decision. The project remains subject to final approval by Tomball City Council, which includes a full review of all required documentation, terms, and conditions.

2. No Guarantee of Funding

Funding for this project is not guaranteed until formal approval is granted by the Tomball Economic Development Corporation's Board of Directors and Tomball City Council through a resolution or other official action.

3. Proceeding at Your Own Risk

If you choose to begin project activities prior to receiving final approval, please understand you do so at your own risk. Neither the TEDC, City of Tomball, nor its affiliates shall be held liable for any costs, obligations, or commitments incurred in anticipation of funding.

Process for Final Approval

Your application will be presented at the **June 9, 2026** Tomball Economic Development Corporation Board of Directors Meeting for approval. It will then proceed to the next two available Tomball City Council Meetings for final approval via two separate readings of a resolution (**First Reading: July 6, 2026 – Second Reading/Final Approval: July 20, 2026**).

Once all approvals are obtained and 60-day legal notice requirement has been fulfilled, TEDC staff will reach out to initiate execution of the grant agreement.

Project Work and Reimbursement Guidelines

While you may begin project work upon receipt of this letter, please note that the reimbursement of eligible expenses will only occur after full approval is secured and the grant agreement has been executed. Additionally, you must comply with all applicable City of Tomball permitting requirements, zoning regulations, building codes, and other local ordinances. Failure to do so may affect your eligibility for reimbursement.

Upon project completion, you must submit:

- Final paid invoice(s)
- Proof of payment(s)
- Digital “after” photographs of the completed improvements

Once all documentation is received and verified, TEDC will process the reimbursement and notify you when your check is ready.
