CURRICULUM VITAE HIGHLIGHTS:

I served 25 years in various positions in the field of Education. I also served a total of 20 years in the field of Social Work, which most recently included time as the Executive Director of Tomball Emergency Assistance Ministries (TEAM). During my tenure at TEAM, I completely revamped the TEAM Resale Store - increasing the store profit margin by 90% over a three year period. I also increased the number of regular volunteers from 12 to over 50, and added intermittent volunteers from the National Charity League, the Lion's Club, the Latter Day Saints, as well as church groups and businesses who sent volunteers periodically. In addition, I completely restructured the charities side of TEAM and brought our rating with the Houston Food Bank up from a D to an A+ rating. Prior to my coming, TEAM had never applied for or received grants. I was able to secure numerous new grants, including large grants from The United Way for client rental assistance, as well as from the Tomball Regional Health Foundation for client dental needs. I established the "Good Eats Program," which provided food for school children during the summer, the Lone Star College "Food for Students Program," which provided food for low income students, and a client transportation program using Neal's Wheels. I also created a "Client Jobs Program," in conjunction with the Texas Workforce Commission. Additionally, I organized 7 churches during the aftermath of Hurricane Harvey to help with the storage and collection of a massive number of donations that flowed in, as well as organizing the distribution of donations to people in need in Tomball, and in locations all around the Houston Metroplex area. I also organized TEAM's first fundraiser.

In the 10 years prior to being the Executive Director of TEAM, I taught middle school Gifted & Talented Science, I was employed by The Lunar and Planetary Institute as an Education Specialist, developing space science educational curriculum for teachers. I also did contract work regularly for Johnson Space Center, JPL, and Goddard Space Flight Center, among others.

Currently I am retired.

As a citizen who loves our community and is devoted to maintaining the old town feel of Tomball, while recognizing the need for managed development, I would find it interesting, challenging, and fulfilling to serve on the Tomball Economic Development Corporation Board.
