I have served on the Tourism Advisory Board for less than 1 year and I looking forward to continuing to learn and help Tomball grow with tourism. I believe that tourism helps bring in sales which generate more tax money for the City. The use of the money going back to events helps our community by bringing in more tourism and more business for our community which in turn, gives more money back to our employees that are hired for these events. The circulation of tax payer money staying within our community helps boost our community moral. Anything that helps our community is something I want to be apart of.
