

Rezoning Staff Report

Planning & Zoning Commission Public Hearing Date: July 14, 2025

City Council Public Hearing Date: July 21, 2025

Rezoning Case: Z25-07

Property Owner(s): Paul and Brenda Mladenka

Applicant(s): Paul and Brenda Mladenka

Legal Description: Approximately 9.565 acres of land legally described as Lots 378 and 381 of Tomball Outlots

Location: 1811 South Persimmon Street (Exhibit “A”)

Area: 9.565 acres

Comp Plan Designation: Business Park and Industrial (Exhibit “B”)

Present Zoning: Single-Family – 20 Estate Residential (SF-20-E) District (Exhibit “C”)

Request: Rezone from the Single-Family – 20 Estate Residential (SF-20-E) to the Light Industrial (LI) District

Adjacent Zoning & Land Uses:

	Zoning	Land Use
North	Single-Family – 20 Estate Residential (SF-20-E)	A single-family residence
South	Light Industrial (LI)	Undeveloped land
East	Light Industrial (LI)	A single-family residence
West	Single-Family – 20 Estate Residential (SF-20-E) and Light Industrial (LI)	Undeveloped land

BACKGROUND

The subject property has been within the City of Tomball’s SF-20-E zoning district since the adoption of zoning in February 2008. The property is currently undeveloped except for one agricultural building. A recent rezoning in the area includes the property directly to the east that was successfully rezoned into the Light Industrial District in October 2024.

ANALYSIS

Comprehensive Plan Analysis: The property is designated as “Business Park and Industrial” by the Comprehensive Plan’s Future Land Use Map. The Business Park and Industrial designation is intended to be located near adequate thoroughfares which provide convenient access for vehicular traffic including freight.

According to the Comprehensive Plan, land uses should consist of administrative services, wholesaling, manufacturing (with no outdoor activity if located adjacent to residential uses), indoor warehouse, industrial business park, retail, office, manufacturing (with indoor or outdoor activity if located adjacent to higher-intensity commercial uses or where appropriate), and warehouse/ storage.

The Comprehensive Plan identifies the following zoning districts as compatible with the Business Park and Industrial designation: Light Industrial (LI), Commercial (C), and Office (O). The Comprehensive Plan also identifies the need to carefully design sites that are adjacent to residential zoning districts to include landscape buffering as well as the screening of outdoor storage and equipment from public rights-of-way.

Staff Review Comments: The request to rezone the subject property to Light Industrial (LI) is in conformance with the Future Land Use Plan. Furthermore, the subject property has frontage on South Persimmon Street which is designated as a Minor Arterial on Tomball’s Major Thoroughfare Plan. Roadways such as this are designed to accommodate the volume and character of traffic that can be expected within the Light Industrial district. The approval of the requested zoning will promote a new development that is consistent with the type of development patterns and character endorsed by the Future Land Use Plan for this area.

PUBLIC COMMENT

A Notice of Public Hearing was published in the paper and property owners within 300 feet of the project site were mailed notification of this proposal on June 30, 2025. Any public comment forms will be provided in the Planning & Zoning Commission and City Council packets or during the public hearing.

Submittal Requirements

The following summary is provided for the applicant's benefit. However, fulfilling the requirements of this summary checklist does not relieve the applicant from the responsibility of meeting the regulations in the Zoning Ordinance, subdivision regulations, and other development related ordinances of the City of Tomball.

Applications must be received by the City of Tomball at least 40 calendar days prior to the City Planning and Zoning Commission hearing date.

- **Application Fee: \$1,000.00 (standard zoning) or \$1,500.00 (PD zoning)**
- **Completed application form**
- ***Copy of Recorded/Final Plat**
- **Letter stating reason for request and issues relating to request**
- **Conceptual Site Plan (if applicable)**
- **Metes & Bounds of property**
- **Payment of all indebtedness attributed to subject property must be paid with application or an arrangement in accordance with Section 50-36(a)(3) of the Code of Ordinances as cited below:**

(No person who owes delinquent taxes, delinquent paving assessments, or any other fees, delinquent debts or obligations or is otherwise indebted to the City of Tomball, and which are directly attributed to a piece of property shall be allowed to submit any application for any type of rezoning, building permit, or plan review until the taxes, assessments, debts, or obligations directly attributable to said property and owed by the owner or previous owner thereof to the City of Tomball shall have been first fully discharged by payment, or until an arrangement satisfactory to the City has been made for the payment of such debts or obligations. It shall be the applicant's responsibility to provide evidence of proof that all taxes, fees, etc.. have been paid, or that other arrangements satisfactory to the City have been made for payment of said taxes, fees, etc.)

The City's staff may require other information and data for specific required plans. Approval of a required plan may establish conditions for construction based upon such information.

***Legal Lot Information:** If property is not platted, a plat will be required to be filed with the Community Development Department unless evidence of a legal lot is provided. To be an unplatted legal lot, the applicant is required to demonstrate that the tract existed in the same shape and form (same metes and bounds description) as it currently is described prior to August 15, 1983, the date the City adopted a subdivision ordinance.

Application Process

1. The official filing date is the date the application and fee are received by the City.
2. The City will review the application for completeness and will notify the applicant in writing within 10 days if the application is deemed incomplete.
3. Property owners within two-hundred (300) feet of the project site will be notified by letter within 10 calendar days prior to the public hearing date and legal notice will appear in the official newspaper of the City before the eighth calendar day prior to the date of the hearing.
4. A public hearing will be held by the Planning and Zoning Commission at 6:00 p.m. in the City Council chambers, unless otherwise noted. The Planning and Zoning Commission meetings are scheduled on the second Monday of the month. The staff will review the request with the Commission and after staff presentations the chair will open the public hearing. The applicant will have ten (10) minutes to present the request. The chair will then allow those present in favor of the request and those in opposition to the request to speak. The Commission may then ask staff or anyone present additional questions, after which the Commission may close or table the public hearing. The Commission may then vote to recommend approval or denial to the City Council. The Commission may also table the request to a future date before a recommendation is sent to the City Council.
5. A second public hearing will be scheduled before the City Council after fifteen (15) days of legal notice. The Council meetings are held on the first (1st) and third (3rd) Mondays of the month at 6:00 p.m. in the City Council chambers (401 Market Street, Tomball, Texas, 77375).
6. The City Council will conduct a public hearing on the request in the same manner as the Planning and Zoning Commission. In the event that there has been a petition filed with the City Secretary with twenty percent (20%) of the adjoining property owners in opposition to the subject zoning request, it will require a three fourths (3/4) vote of the full Council to approve the request. Upon approval of the request by the City Council, an amended ordinance shall be prepared and adopted. The ordinance shall have two separate readings and will be effective at such time that it is adopted by City Council and signed by the Mayor and attested by the City Secretary.

FAILURE TO APPEAR: It is the applicant/property owner's responsibility to attend all Planning and Zoning Commission and City Council meetings regarding their case. Failure of the applicant or his/her authorized representative to appear before the Planning and Zoning Commission or the City Council for more than one (1) hearing without approved delay by the City Manager, or his/her designee, may constitute sufficient grounds for the Planning and Zoning Commission or the City Council to table or deny the application unless the City Manager or his/her designee is notified in writing by the applicant at least seventy-two (72) hours prior to the hearing. If the agenda item is tabled the Planning and Zoning Commission shall specify a specific date at which it will be reconsidered.

Subj: Application to Re-zone

Please let this letter serve to inform the city of Tomball of our intent to re-zone approximately ~~8.4~~ ^{9.565} acres of our land to "light industrial." The current designation is SF-20. Our intention is to sell the property to an "end-user" for the purpose of building three office/warehouse type structures, similar to those constructed in the business park just to the south of us.

Your consideration and prompt attention to this matter is appreciated.

Sincerely,

Paul & Brenda Mladenka
