The Tomball Economic Development Corporation has received a request from Teresa Latsis, Owner, Tomball Group, LLC for funding assistance through the TEDC's Old Town Façade Improvement Grant (FIG) Program for improvements to an approximately 1,921 square foot building located at 209 Market Street.

The proposed project includes the addition of an approximately 765 square-foot commercial kitchen space to the back of the existing building. The proposed eligible improvements include exterior painting, site work, grading, slab, framing, walls, roofing, siding, trim, exterior doors, HVAC, ventilation hood, and a grease trap.

The goal of the TEDC's Old Town Façade Improvement Grant is to promote and assist with renovation, rehabilitation, restoration, and enhancements to commercial buildings within the Old Town Mixed Use zoning district. In accordance with the Old Town Façade Improvement Grant Program Guidelines & Criteria, the proposed performance agreement is for 50% of the eligible improvement costs, not to exceed \$50,000.00.

The project and application were reviewed and conditionally approved by the Business Retention & Expansion (BRE) Committee on November 18, 2025. While this conditional approval enables the applicant to move forward with their project and avoid significant approval delays, it does not guarantee funding. Final approval is still required from both the TEDC Board and Tomball City Council. Applicants proceed at their own risk until those approvals are secured.

Once approved, the applicant will have nine months to complete the improvements. All grants are reimbursement grants and will only be funded after completion of the project, and after the applicant submits final paid itemized invoices/receipts for all applicable labor and materials, proof of payment, and digital photographs of the completed work.

Although this project does not create primary jobs, it does promote the development and expansion of business enterprise, which is considered a permissible project as outlined in

Texas Economic Development Legislation. If this project is approved, it will go to the Tomball City Council for final approval by resolution at two separate readings.
