**PETITION IN OPPOSITION TO REZONING  
CITY OF TOMBALL CASE # P22-350**

**Re: Case # P22-350 Requested Rezoning of approx. 22.84 acres of land owned by Zion Woods LLC, 12718 Zion Road, Tomball, TX from Agricultural (AG) district to a Planned Development (PD) district to promote single-family residential development. This plot fronts Zion Road and is situated on the north side of Zion Road between the two subdivisions of The Reserve at Spring Lake and Raleigh Creek.**

We, the undersigned residents, all being recipients of the recent City of Tomball (Community Development Department) "Notice of Public Hearing" notification do hereby protest the rezoning of the described property, to wit:

We, the local area residents will face consequences of improper zoning if this AG rezoning is approved. **We are against any rezoning to PD of less than SF-20-E (lots not less than 20,000 square feet).** We request the land be used for low density, single family detached residential use should this rezoning change. We encourage down-zoning instead of high-density up-zoning and seek potential development in line with the Future Land Use map. A concept plan shows 94 two-story houses, a pool & clubhouse along a single central street with only a single egress.

We object to improper zoning which will prove detrimental to our environment, schools, public safety, home values, and the quality of life of the existing residents. We are especially concerned about increased drainage issues affecting the adjoining properties, increased traffic on Zion Road and the destruction of greenspace sheltering local wildlife. We seek to preserve the Single Family Detached suburban character of our area. We aim to keep the area majority residentially zoned.

We seek to maintain our community as an inviting, family friendly area where greenspace outweighs hardscapes & buildings. **Keep Tomball Green.**

**If you believe this rezoning would be detrimental to you and/or those around you, and you would like to have it denied, PLEASE SIGN THIS PETITION!**

**There will be public hearings on Monday, December 12 at 6:00PM in the City Council Chambers, City Hall, 401 Market St., Tomball AND Monday December 19, same time & location. Please provide your name, address, an email address & a phone number for updates, we will fill in your HCAD #. THANK YOU.**
