Re: CenterPoint Energy 2022 Annual GRIP Adjustment for the Houston Division

Dear Madam or Sir:

CenterPoint Energy Resources Corp., d/b/a CenterPoint Energy Entex and CenterPoint Energy Texas Gas ("CenterPoint" or the "Company"), files the tariffs and supporting documents, in electronic form, with the City of Tomball ("City") consistent with Section 7.7101 of the Railroad Commission of Texas ("Commission") Gas Services Division Rules and Section 104.301 of the Texas Utilities Code to establish the annual gas reliability infrastructure program ("GRIP") interim rate adjustment ("IRA") for the Company's Houston Division, which includes the City. The proposed IRA will affect rates for natural gas service customers located in the City. Simultaneously with this filing, CenterPoint makes the same GRIP filing with the Commission for customers located in the City's environs and cities of the Houston Division that have ceded original jurisdiction to the Commission.

CenterPoint consistently supplies its customers in the Houston Division with safe and dependable natural gas service by prudently investing in additions and upgrades to its delivery system. The Company will continue to prudently invest in its infrastructure in order to improve its natural gas service to its customers and to anticipate and meet their needs under all operating conditions. The GRIP program enables a gas utility such as CenterPoint to begin recovery of its incremental capital investment in the system, subject to a prudence review in its next rate case. This reduces regulatory lag and incentivizes needed investment. Consistent with Section 104.301 of the Texas Utilities Code and Commission precedent, the City's review of this GRIP filing is limited to a ministerial review to ensure compliance with the GRIP statute.

Pursuant to applicable law, the proposed IRA will become effective on May 2, 2022, unless the City suspends that date for a period of no longer than forty-five (45) days. The approved IRA will be applied to the monthly customer charge and will remain in effect until superseded by the earlier of (1) the effective date of the Company's next annual GRIP adjustment for the Houston Division; or (2) the issuance of a final order in a rate setting proceeding for the Houston Division.

As detailed in the attached schedules and supporting material, the Company invested \$193,152,387 in its Houston Division in calendar year 2021 and the applicable IRA is:

Rate Schedule	Current Customer Charge	Proposed 2022 Interim Rate Adjustment¹	Adjusted Charge	Increase Per Bill
R-2095-I-GRIP 2022; R-2095-U-GRIP 2022 Residential	\$18.38 per customer per month	\$1.36 per customer per month	\$19.74 per customer per month	\$1.36 per customer per month
GSS-2095-I-GRIP 2022; GSS-2095-U-GRIP 2022 General Service Small	\$22.41 per customer per month	\$2.09 per customer per month	\$24.50 per customer per month	\$2.09 per customer per month
GSLV-626-I-GRIP 2022; GSLV-626-U-GRIP 2022 General Service Large Volume	\$247.28 per customer per month	\$42.83 per customer per month	\$290.11 per customer per month	\$42.83 per customer per month

Along with and in support of the proposed IRA, CenterPoint includes the following:

- (a) An earnings monitoring report showing the Company's earnings for the Houston Division during the 2021 calendar year (under the "Earnings Monitoring Report" section of the enclosed filing).
- (b) An Interim Rate Adjustment Application containing accounting schedules and project reports for the GRIP Adjustment Period including a description of (i) the projects undertaken during the GRIP Adjustment Period (ii) the investment to provide utility service in the Houston Division, which were both completed and placed in service during the GRIP Adjustment Period, (iii) the Company's prior utility investments in the Houston Division that were either retired or abandoned during the GRIP Adjustment Period, and (iv) the cost, need and customers benefited by those investments and retirements located in IRAs 12, 13, 14 and 15 which are voluminous and are being provided in electronic form only.
- (c) The Company's calculations of the GRIP Adjustment amount to go into effect on the later of the Planned Effective Date or the end of any suspension

¹ On December 22, 2017, the Tax Cuts and Jobs Act of 2017 (the "TCJA") was signed into law. The TCJA reduced the federal corporate income tax rate from 35% to 21%. The Company has calculated the GRIP Adjustment using the 35% federal corporate income tax rate approved in GUD No. 10567. The Company has also calculated and is seeking approval of the GRIP Adjustment using the 21% federal corporate income tax rate under the Tax Cuts and Jobs Act of 2017. The Proposed 2022 Interim Rate Adjustment in the table above has been calculated using the reduced corporate income tax rate of 21%.

The Company has calculated the GRIP Adjustment using the 35% federal corporate income tax rate approved in GUD No. 10567. The Company has also calculated and is seeking approval of the GRIP Adjustment using the 21% federal corporate income tax rate under the Tax Cuts and Jobs Act of 2017.

In addition, the source documentation and workpapers supporting the data and calculations contained in the foregoing reports is maintained in CenterPoint's electronic databases which are available for review. To schedule an opportunity to review the electronic databases or any hard copy project files related to the new investment or retirements, please contact me at (713) 207-5946.

Although only the incorporated tariffs are applicable to the City, the Company has also included in its filing package both incorporated and unincorporated tariffs.

There have been no changes to the IRA forms since the Company's last filing.
