FINANCIAL NEED DEMONSTRATION: Acceptance into the Rental Incentive Program requires an acceptable explanation of financial need. Use the lines below to explain why and how the rent subsidy is an important factor in opening your business.

Our company is currently undergoing a significant expansion, involving a doubling
of our space and the introduction of a retail store.
The funds requested will be primarily allocated to assist in covering rent expenses,
ensuring financial stability during the first year if business.

Explain how your business will benefit and enhance the area in which you are locating and how your business will complement other businesses within the area:

Our new concept is poised to become a destination location, offering customers a unique and special food buying experience. Adjacent to our new establishment is Smitty's Smoke House, a renowned provider of meats, smoked and BBQ products, as well as local offerings. In contrast, our focus will be on fresh pasta products crafted in our food manufacturing facility, coupled with a selection of imported Italian goods.

The synergy between our two businesses is evident and will contribute to a distinctive food experience for customers seeking specialty items. Our innovative concept merges a food manufacturing facility with a retail space, allowing customers to witness the production process firsthand and purchase products directly. This integrated approach sets us apart and is sure to attract individuals from beyond the local area. Being situated next door to Smitty's Smoke House provides a strategic advantage, as our businesses complement each other seamlessly. The co-location promises increased foot traffic, benefiting both establishments and creating a dynamic culinary hub. We are confident that this collaborative and unique concept will draw patrons from far and wide, establishing our location as a prominent destination for those seeking an exceptional and immersive food experience.
