It is with my deepest sincerity and concern that I am writing to you to express my desire to continue serving in the capacity of Board Member on the Board of Directors for the Tomball Regional Healthcare Foundation for another term.

I enjoy serving on this board. I enjoy working with the other (10) ten board members who make up this board. I also enjoy being able to have an active role in matters that involve providing adequate assistance and management of healthcare to our local citizens and to others in the surrounding service areas that are in need.

Thanks for your consideration in this matter.

Sincerely,
Latrell Shannon
