

City Council Meeting

Agenda Item

Data Sheet

Meeting Date: June 2, 2025

Topic:

Approve Resolution 2025-21, a Resolution of the City Council of the City of Tomball, Texas, approving the Drainage Master Plan Update; and Providing an Effective Date.

Background:

Funding was allocated in the FY 2022-2023 budget to create the Drainage Master Plan. This project has been an ongoing effort since May 2023 following City Council approval for the professional services agreement with Civil Systems Engineering, Inc. (RFQ 2023-08) on May 15, 2023, to complete the study and prepare the report.

Staff and CSE have worked diligently to complete the Drainage Master Plan and identify recommendations to improve the drainage within the City. The final plan also identified recommended drainage projects to be included in the Capital Improvement Plan. During the budget workshops for the fiscal year 2024-2025 budget, identified drainage projects in the master plan were included in the 2025-2029 Capital Improvement Plan, adopted on September 16, 2024 (Resolution No. 2024-32).

Following discussion with City Council at the February 3, 2025 City Council Workshop, staff worked with CSE to incorporate all input received into the final master plan.

This Resolution approves the Drainage Master Plan that serves to address the City's growth and helps the City adequately plan, prepare, and provide for the health, safety, and well-being of the City's citizens.

Origination: Project Management

Recommendation:

Staff recommends approving Resolution 2025-21 approving the Drainage Master Plan Update.

Party(ies) responsible for placing this item on agenda: Meagan Mageo, Project Manager
