

City Council Meeting

Agenda Item

Data Sheet

Meeting Date: March 20, 2023

Topic:

Approve a contract with Weisinger Incorporated to complete repairs and maintenance on Water Well 6 through a BuyBoard Contract (Contract No. 662-22 & 672-22) for a not-to-exceed amount of \$129,444, approve the expenditure of funds therefor, and authorize the City Manager to execute any and all documents related to the purchase. This expenditure is included in the FY 2022-2023 Budget.

Background:

Staff initiated a contract for the inspection and analysis of Well 6 as part of our on-going water well maintenance program. As part of the well-maintenance program, this well was identified as needing the routine maintenance and additional repairs due to mechanical issues. During the inspection that was completed in late-February, the following items were identified as needing immediate repair: vertical turbine pump, column assembly, motor head shaft and other miscellaneous items to ensure the well is in top operational shape.

This item authorizes a contract with Weisinger Incorporated who will perform the recommended repairs to the well. Weisinger anticipates the repairs will be completed within eight weeks and will work as quickly as possible to ensure that the well is operational before high peak demand season. The contract will be issued under a BuyBoard Contract (Contract No. 662-22 & 672-22).

Origination: Public Works Department

Recommendation:

Staff recommends approving a contract with Weisinger Incorporated to perform the recommended repairs to Well 6 for a not-to-exceed amount of \$129,444.
