## INTRODUCTION

Capitalized terms used in this Service and Assessment Plan shall have the meanings given to them in **Section I** unless otherwise defined in this Service and Assessment Plan or unless the context in which a term is used clearly requires a different meaning. Unless otherwise defined, a reference to a “Section” an “Exhibit,” or an “Appendix” shall be a reference to a Section of this Service and Assessment Plan or an Exhibit or Appendix attached to and made a part of this Service and Assessment Plan for all purposes.

On August 15, 2022, the City passed and approved Resolution No. 2022-27 authorizing the establishment of the District in accordance with the PID Act, as amended, which authorization was effective upon approval in accordance with the PID Act. The purpose of the District is to finance the Actual Costs of Authorized Improvements that confer a special benefit on approximately 19.34 acres located within the City, as described by the legal description on **Exhibit I** and depicted on **Exhibit A**.

The PID Act requires a service plan must (i) cover a period of at least five years; (ii) define the annual indebtedness and projected cost of the Authorized Improvements; and (iii) include a copy of the notice form required by Section 5.014 of the Texas Property Code, as amended. The Service Plan is contained in **Section IV** and the notice form is attached as **Appendix B**.

The PID Act requires that the Service Plan include an Assessment Plan that assesses the Actual Costs of the Authorized Improvements against the Assessed Property within the District based on the special benefits conferred on such property by the Authorized Improvements. The Assessment Plan is contained in **Section V**.

The PID Act requires an Assessment Roll that states the Assessment against each Parcel determined by the method chosen by the City Council. The Assessment against each Parcel of Assessed Property must be sufficient to pay the share of the Actual Costs of Authorized Improvements apportioned to such Parcel and cannot exceed the special benefit conferred on the Parcel by such Authorized Improvements. The Assessment Roll is included as **Exhibit F-1**.

#### SECTION IV: SERVICE PLAN

The PID Act requires the Service Plan to cover a period of at least five years. The Service Plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan is also required to include a copy of the buyer disclosure notice form required by Section 5.014 of the Texas Property Code, as amended. The Service Plan must be reviewed and updated in each Annual Service Plan Update. **Exhibit C** summarizes the Service Plan for the District. Per the PID Act and Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosure for the District. The buyer disclosures are attached hereto as **Appendix B**.

**Exhibit D** summarizes the sources and uses of funds required to construct the Public Improvements. The sources and uses of funds shown on **Exhibit D** shall be updated in an Annual Service Plan Update to show the amount required to fund the required reserves and issue the PID Bonds at the time the PID Bonds are issued.

#### SECTION V: ASSESSMENT PLAN

The PID Act allows the City Council to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the City Council may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the City and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this Service and Assessment Plan describes the special benefit received by each Parcel within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit equals or exceeds the amount of the Assessments to be levied on the Assessed Property for such Authorized Improvements.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and

governmental powers and is conclusive and binding on the Owner and all future owners of the Assessed Property.

### **A. Assessment Methodology**

Acting in its legislative capacity and based on information provided by the Owner and its engineer and reviewed by the City staff and by third-party consultants retained by the City, the City Council has determined that the costs of the Authorized Improvements shall be allocated entirely to the Initial Parcel. Upon subdivision of an Assessed Property, the Actual Costs of the Authorized Improvements shall be reallocated based on Estimated Buildout Value as further described in **Section VI**.

### **B. Assessments**

Assessments will be levied on the Assessed Property according to the Assessment Roll, attached hereto as **Exhibit F-1**. The projected Annual Installments are shown on **Exhibit F-2**, and are subject to revisions made during any Annual Service Plan Update. Upon division or subdivision of the Initial Parcel, the Assessments will be reallocated pursuant to **Section VI**.

The Maximum Assessment for each Lot Type is shown on **Exhibit E**. In no case will the Assessment for Lots classified as Lot Type 1 exceed the corresponding Maximum Assessment for the Lot classification.

### **C. Findings of Special Benefit**

Acting in its legislative capacity and based on information provided by the Owner and its engineer and reviewed by the City staff and by third-party consultants retained by City, the City Council has found and determined the following:

- The cost of the Authorized Improvements equals \$5,498,402 as shown on **Exhibit B**; and
- The Assessed Property receives special benefit from the Authorized Improvements equal to or greater than the Actual Cost of the Authorized Improvements; and
- The Initial Parcel shall be allocated 100% of the Assessments levied for the Authorized Improvements which equal \$3,483,000, as shown on the Assessment Roll attached hereto as **Exhibit F-1**; and
- The special benefit (\$5,498,402) received by the Initial Parcel from the Authorized Improvements, is equal to or greater than the amount of the Assessment (\$3,483,000) levied on the Initial Parcel for the Authorized Improvements; and
- At the time the City Council approved this Service and Assessment Plan, the Owner owned 100% of the Initial Parcel. The Owner acknowledged that the Authorized

Improvements confer a special benefit on the Initial Parcel and consented to the imposition of the Assessment to pay for the Actual Costs associated therewith. The Owner ratified, confirmed, accepted, agreed to, and approved: (1) the determinations and findings by the City Council as to the special benefits described herein and the applicable Assessment Ordinance, (2) the Service and Assessment Plan and the applicable Assessment Ordinance; and (3) the levying of the Assessment on the Initial Parcel.

#### **D. Annual Collection Costs**

The Annual Collection Costs shall be paid annually by the owner of each Parcel pro rata based on the ratio of the amount of outstanding Assessment remaining on the Parcel to the total outstanding Assessment. The Annual Collection Costs shall be collected as part of and in the same manner as the Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

#### **E. Additional Interest**

The interest rate on the Assessments securing each respective series of PID Bonds may exceed the interest rate on each respective series of PID Bonds by the Additional Interest Rate. To the extent required by any Indenture, upon the issuance of PID Bonds, Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

The interest on the Assessment securing the Reimbursement Obligation shall be set at a rate of 6.25% pursuant to the PID Act. The PID Act requires the rate set on unpaid amounts due under a Reimbursement Agreement may not exceed five percent above the highest average index rate for tax-exempt bonds for a period of not more than five years and may not exceed two percent above the same index rate for the following two-year period. The index rate utilized to set the rate on the Reimbursement Obligation is the S&P Municipal Bond High Yield Index, which rate is 5.92% as of March 6, 2023. The rate set by this Service and Assessment Plan of 6.25% for the seven-year period is less than 2% above the S&P Municipal Bond High Yield Index. Once PID Bonds are issued, the interest rate on the Assessments will equal the interest rate on the bonds plus additional interest. The Annual Installment pursuant to the Reimbursement Agreement will not include Additional Interest unless and until PID Bonds secured by the Assessment are issued.

## **SECTION VI: TERMS OF THE ASSESSMENTS**

Any reallocation of Assessments as described in **Section VI** shall be considered an administrative action of the City and will not be subject to the notice or public hearing requirements under the PID Act.

## A. Reallocation of Assessments

### 1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of a subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all for the newly divided Assessed Properties

The calculation of the Assessment of an Assessed Property shall be performed by the Administrator and shall be based on the Estimated Buildout Value of that Assessed Property, as provided by the Owner, relying on information from homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Property. The Estimated Buildout Value for Lot Type 1 is shown on **Exhibit E** and will not change in future Annual Service Plan Updates. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

### 2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all of the newly subdivided Lots excluding Non-Benefitted Property

E = the number of newly subdivided Lots with same Lot Type

Prior to the recording of a subdivision plat, the Owner shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat. The calculation of the Assessment for a Lot shall be performed by the Administrator and confirmed by the City Council in an Annual Service Plan Update, based on Estimated Buildout Value information provided by the Owner, homebuilders, third party consultants, and/or the official public records of the County regarding the Lot. The Estimated Buildout Value for Lot Type 1 is shown on **Exhibit E** and will not change in future Annual Service Plan Updates. The calculation as confirmed by the City Council shall be conclusive and binding.

The sum of the Assessments for all newly subdivided Parcels shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in the Annual Service Plan Update immediately following such reallocation.

### 3. *Upon Consolidation*

If two or more Lots or Parcels are consolidated into a single Parcel or Lot, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update immediately following such consolidation.

The Assessment for any resulting Lot will not exceed the Maximum Assessment, shown on **Exhibit E** for the applicable Lot Type, and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.B**.

## **B. Mandatory Prepayment of Assessments**

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the Owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the Owner of the Assessed Property causes the Assessed Property to become Non-Benefitted

Property, the Owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

### **C. True-up of Assessments if Maximum Assessment Exceeded**

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the Owner must partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the Owner to pay such Assessments.

### **D. Reduction of Assessments**

If, as a result of cost savings or a PID Project not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments, (i) in the event PID Bonds are not issued, the Assessments and the Reimbursement Obligation shall be reduced on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equal the reduced Actual Costs, or (ii) in the event that PID Bonds have been issued, the City shall direct the Trustee to apply amounts on deposit in the applicable account of the project fund, relating to the applicable series of PID Bonds, that are not expected to be used to pay Actual Costs of Authorized Improvements to be used to redeem outstanding PID Bonds, in accordance with the applicable Indenture.

The City Council may reduce the Assessments and the Annual Installments for Assessed Property (1) in an amount that represents the Actual Costs of the Authorized Improvements provided for each property; (2) by an equal percentage per Lot; or (3) in any other manner determined by the City Council to be the most fair and practical means of reducing the Assessments for Assessed Property, such that the sum of the resulting reduced Assessments equals the amount required to repay the PID Bonds and Reimbursement Obligation, including interest on the PID Bonds and Reimbursement Obligation, Additional Interest, and the Annual Collection Costs portion of the Assessment, as reduced pursuant to this Section.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

### **E. Prepayment of Assessments**

The Owner of the Assessed Property may pay, at any time, all or any portion of an Assessment in accordance with the PID Act, including all Prepayment Costs. Interest costs from the date of Prepayment to the date of redemption of the applicable PID Bonds, if any, may be paid from a fund established under the applicable Indenture for such purpose. If an Annual Installment has been billed prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If the principal portion of an Assessment is paid in full, with interest accrued to the date of Prepayment: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the Owner with a recordable "Notice of PID Assessment Termination," a form of which is attached hereto as **Exhibit H**.

If an Assessment is paid in part, with interest: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced to the extent of the Prepayment made.

For purposes of the payment of Annual Installments, the Reimbursement Obligation is and will remain subordinated to (i) the PID Bonds and (ii) any additional PID Bonds secured by a parity lien on the Assessments issued to refinance all or a portion of the Reimbursement Obligation. Prepayments shall be allocated pro rata to any outstanding PID Bonds and any outstanding Reimbursement Obligation.

#### **F. Payment of Assessment in Annual Installments**

**Exhibit F-2** shows the projected Annual Installments. Assessments that are not paid in full shall be due and payable in Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

Prior to the recording of a final subdivision plat, if any Parcel shown on the Assessment Roll is assigned multiple tax identification numbers, the Annual Installment shall be allocated pro rata based on the acreage of the property as shown by Harris County Appraisal District for each tax identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. Annual Collection Costs shall be allocated pro rata among Assessed

Property for which Assessments remain unpaid based on the amount of the outstanding Assessment on each Assessed Property. Annual Installments shall be collected in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

Foreclosure sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the non-delinquent Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the PID Act and the applicable Indenture. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments shall be due when billed and shall be delinquent if not paid prior to February 1, 2024.

Failure of an Owner to receive an invoice for an Annual Installment on the property tax bill shall not relieve the Owner of the responsibility for payment of the Assessment. Assessments, or Annual Installments thereof, that are delinquent shall incur Delinquent Collection Costs. The City may provide for other means of collecting the Annual Installments to the extent permitted by the PID Act.

#### **G. Prepayment as a result of Eminent Domain Proceeding or Taking**

If any portion of any Parcel of Assessed Property is taken from an Owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a "**Taking**"), the portion of the Assessed Property that was taken or transferred (the "**Taken Property**") shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property), (the "**Remaining Property**") following the reclassification of the Taken Property as Non-Benefited

Property. The Owner of the Remaining Property will remain liable to pay in Annual Installments, or payable as otherwise provided by this Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property.

Following the initiation of the Taking, the Administrator will be required to determine the portion of the Assessment that was levied against the Assessed Property that would have been allocated to the Taken Property prior to its reclassification as Non-Benefitted Property based on a manner that results in imposing equal shares of the Actual Costs of the applicable Authorized Improvements on property similarly benefitted.

The Owner shall make a Prepayment of the Assessment in an amount equal to the amount determined by the Administrator in the preceding paragraph prior to the transfer of ownership of the Taken Property.

By way of illustration, if an Owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefitted Property and the remaining 90 acres of Remaining Property shall be subject to the \$100 Assessment, and the Owner shall owe \$10 as a Prepayment for the Taken Property.

Notwithstanding the previous paragraphs in this subsection if the Administrator determines that the Taking prevents the Remaining Property from being developed as shown on the final plat, the Owner shall be required to prepay the total amount of the Assessment levied against the Remaining Property within sixty (60) days of such determination.

## **SECTION VII: ASSESSMENT ROLL**

The Assessment Roll is attached as **Exhibit F-1**. The Administrator shall prepare and submit to the City Council for review and approval proposed revisions to the Assessment Roll and Annual Installments for each Parcel as part of each Annual Service Plan Update. The Lots shown on the Assessment Roll will receive the bills for the 2023 Annual Installments which will be delinquent if not paid by January 31, 2024.

## **SECTION VIII: ADDITIONAL PROVISIONS**

### **A. Administrative Review**

If the owner of a Parcel claims that error has been made in any calculation required by this Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Updates, the owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1<sup>st</sup> of each year following City Council's approval of the calculation. Otherwise, the owner shall be deemed to have unconditionally approved and

accepted the calculation. The Administrator shall provide a written response to the City Council and the owner not later than 30 days after receipt of such written notice of error by the Administrator. The City Council shall consider the owner's notice of error and the Administrator's response at a public meeting, and, not later than 30 days after closing such meeting, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council shall take such corrective action as is authorized by the PID Act, this Service and Assessment Plan, the applicable Assessment Ordinance, the applicable Indenture, or as otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

### **B. Amendments**

Amendments to this Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this Service and Assessment Plan.

### **C. Administration and Interpretation**

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this Service and Assessment Plan. Interpretations of this Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers of the Assessed Property adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public meeting at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners of Assessed Property and developers and their successors and assigns.

### **D. Form of Buyer Disclosure; Filing in Real Property Records**

Per Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto as **Appendix B**.

Within seven days of approval by the City Council, the City Secretary shall file and record in the official public records of the County the executed Assessment Ordinance and this Service and Assessment Plan. In addition, the City Secretary shall similarly file each Annual Service Plan

Update approved by the City Council, with each such filing to occur within seven days of the date each respective Annual Service Plan Update is approved.

**E. Severability**

If any provision of this Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.
