Dear Tiffani,

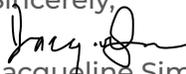

For six years, Collective Houston (formerly Roll Out Yoga) cultivated a warm, community-centered yoga studio where connection, movement, and growth thrive in Spring Texas. Rooted in the heart of our local neighborhood, we've built more than a schedule of classes—we've built a space where people feel seen, supported, and inspired.

Now, we're entering an exciting new chapter. By Summer 2025, we're expanding into a larger, all-in-one wellness space offering a broader class schedule, adding a reformer Pilates program, and an in-house café in Tomball.

As we grow, our mission stays the same: to support real people in real life, with classes that meet you where you are in your fitness journey and a community that lifts you up.

This expansion project is exciting, but comes with considerable start-up and operating expenses. That's why we're applying for the Rental Assistance program through Tomball EDC. Through your program's help, we hope to offset some of these costs and set our business up for long term financial stability and success. This, in turn, will be reinvested into the business, the local community and economy.

Thank you for your consideration in our application. We look forward to hearing from you and serving the wonderful community of Tomball, Texas.

Sincerely,  
  
Jacqueline Sim
